## Brandie Rose keeps on dancing

The Brandie Rose School of Dance opened September, 1978, and is located in Hillcrest Mall. Brandie Rose Bellavance is a member of the British Association of Teachers of Dancing London. She began dancing when she was seven and has been teaching since the age of fourteen. A resident of Richmond Hill for nineteen years, she has helped choreograph the Richmond Hill Skating Club and has helped put many children through the Peel Music Festival competitions.

After all, dancing is the most fun method of keeping physically fit. The school will also encourage competitions and exam work to give the children a goal to strive for.

The staff includes ballet teacher, Janice Garvey, who is a member of the Royal Academy of Dancing and has her Elementary Teachers Certificate. She is an Associate Member of the Imperial Society of Teachers of Dancing, Modern Sat Stage Branch, and has been teaching ballet for the past few years.

The aim of the school is to provide the children with a source of recreation which will develop into a serious study of the dance arts. They try to encourage serious study, but we maintain a level of enjoyment.

Classes run from September to June with a recital in June which enables each child or group to show the parents what they have achieved over the year. Classes are held once per week in Tap, Jazz, Ballet, and Baton.

There is also an eight week course in Disco dancing and ladies classes ranging from beginners through to advanced.

The Brandie Rose School of Dance is located on the Second Floor Office Level, Suite 24, in Hillcrest Mall. For further information call the school at 883-4441.
