

Little Kings take York Simcoe

The Oak Ridges Atom Little Kings finished their season off in flying colors as they downed the Oro Atoms to win the York Simcoe championship.

Just the previous week they captured the Stroud Atom Tournament Finalist trophy.

The series between the Oak Ridges Montego Forest Products Ltd., team and Oro went down to the final game with the Ridges dominating that final game to win 4-0.

They got some superb goaltending from Mike Smith who earned his shutout.

Offensively it was Kelly Rheedier firing in two goals with singles to Mark Shephard and Jason

Cairns. Assists to Kris Walsh and Mark Mitchell. Oak Ridges opened the series by edging Oro 2-1 on goals by Mark Mitchell from Grant O'Meara; and Andrew Aldworth from Gary Warner.

The second game saw Oro winning with exactly the same score with Shephard getting Oak Ridges' only goal from Cairns.

It was Oak Ridges turn to win the third game by 4-2 with Rheedier contributing two goals and singles to Shephard and Paul Torlone. Cairns had two assists, Mark Mitchell one.

The fourth game saw a 2-2 tie with Mitchell and Torlone scoring for Oak

Ridges; Sean Sanderson had two assists with singles to Gary Warner, Rheedier and Guy Brown. Oro bounced Oak Ridges 6-1 in the fifth game with Sean Sanderson getting the only goal from O'Meara and Guy Brown.

This set the scene for that big final game. The complete series saw goalies Sean Patrick and Mike Smith coming up great between the pipes.

The Stroud tournament saw Oak Ridges downing Uxbridge 5-1 with Cairns showing the way with two goals and singles to Gary Warner, Mark Shephard and O'Meara. O'Meara also had two assists with

singles to Shephard, Kris Walsh, Mitchell, Donny Rawding, and Steve Robinson.

Oak Ridges then nipped Stroud 2-1 in sudden death with Mitchell getting the big one. It was his second goal of the game. Kris Walsh had two assists.

They went on to lose 2-0 to Nobleton in the championship game but managed to come out of it with the finalist trophy. Mike Smith and Sean Patrick were good in the nets.

The coaching staff would like to thank all the parents on the team for their support during the season.

Langstaff gymnasts qualify for finals

Young competitors from the Langstaff Gymnast Club in Richmond Hill came up with their share of triumphs at the second Metro East championships recently.

The only exception was

the young and talented Raymond Hubrich who was in third spot after the first qualifying meet but unfortunately injured himself in a warm-up.

All other entries successfully qualified for the

provincials to be held May 12 in Waterloo.

In Boys Level 3 (for boys up to 14 years), 9-year-old George Zivic finished first with 34.5 points of a possible 40.

He was followed by

Scarboro Winston's Peter Morgan with 32.35 points. Eight-year-old Richard Smith from Thornhill finished third with 32.30 and Aurora's Doug Liversedge finished fourth with 31.8 points.

Individually, George Zivic and Richard Smith tied for first on the floor exercise while Doug finished third with 7.65.

On the vault it was George placing second with 7.30 while Richard was third with 7.8 and Doug fifth with 7.30.

George was again first on the parallel bars with the meet's highest score of 8.9. Doug was second with 8.2 and Richard fifth with 7.95.

The high bar saw George first again with 8.5 points, Richard second with 8.2 and Doug fifth with 7.65.

In Boys Level 2 (boys up to 14 years old), Thornhill's Jim Rodberg improved his standing from the last qualifying meet by finishing fourth all around. He placed third on floor; high bar and rings and fourth on the parallel bars and Pommel horse and fifth on vaulting.

Junior 3 level (boys up to 20 years) saw Langstaff with two representatives in Scott Thomson and Garry James, both of Thornhill. The fight for placings was close as Laurence Follows of Bayview Gym Club led the way.

Follows was first in the all around followed closely by James and Thomson for second and third places.

Good bowling at ABC

By MATT THOMSON
As the final week of the regular season gets underway all the Richmond Hill ABC Bowl youth members are really shooting some excellent scores.

In the Tykes, for example, David Surowiec led the way with a great 131 single and 217 double.

Scott Hayward and Jason Positano tied for the next high single with 103. Jason also rolled a good double with 178 but was beaten by Glen Murphy who shot 179 for two games.

Kathy Smith was high for the girls bowling a 104 single and 192 double. Lesley Fantin turned a nice 89 single (158 double), followed by Tracy Monahan who rolled an 85 single and a 168 double.

On the Bantam's side, Gary Kehoe was the big shooter with a 198 single and 485 triple. Jim Hughes matched his single with a 198 of his own.

John Surowiec was next in line with a 192 single and a 451 triple.

Other good triples were turned in by Tim Gibbens (423), Trevor McLaughlin (406), Wayne Murphy (406) and Allan Poole (403).

The girls' division saw Michelle Byer leading with a 215 single and a 448 triple. Sherri Miller also bowled well as she shot a 176 single and a 435 triple.

Other good games were rolled by Barb Connolly (179), Laura Downing (196) and Pamela Espey who came up with a 403 for three games.

Congratulations to all bowlers for their efforts.

Learn, enjoy tennis

By ERIC HANDBURY
The subject of coaching has long been a matter of debate by both the Richmond Hill Tennis Club executive and the members.

By virtue of the game itself the number of highly gifted players within any club structure is not usually very high and, in any case, most advanced players take private coaching or take a part in highly competitive events which is a form of tuition.

In the main, the greatest consensus of opinion is in favor of the club providing a course of coaching that will equip the attendee with a thorough grounding on the essentials of the game that will allow him or her to enjoy the sport without feeling the pressure of qualifying for Wimbledon.

This year's coaching program has been planned around that premise, a combination of good tennis instruction

coupled with a much more extensive organization of recreational and competitive inter-club events suitable for all levels of playing ability.

John Marais, a high calibre player, who has many times been Singles and Doubles Champion of Richmond Hill will be in charge of the program. All who know John will mention his playing ability, his patience and thorough knowledge of the game and its strategy.

There will be a maximum of eight players to a class, the first class to commence May 14. The cost will be \$20 per person for seniors. Juniors, who will receive extensive and prolonged coaching will be \$18 per person which will cover lengthy coaching and also organized play (with a maximum of 24 per class).

Registration for coaching will be held at

the Crosby Park Clubhouse on Saturday April 21 and 28 from 10 a.m. to 1 p.m., and those interested should get their name down as soon as possible because of the usual high demand for classes (particularly the early ones).

HOUSE LEAGUES

The number of House Leagues is to be increased this year which will allow a greater number than ever to enjoy this very popular system of events. Social Night will be held every Wednesday as before. This weekly event is intended to provide every opportunity to meet other members and enjoy the Club, a type of 'cast away shyness' get-together that sets more store on a happy disposition than a good backhand.

Everybody in the Club is looking forward to the beginning of the season, and the chance to start or continue with prized, invaluable friendships.
