

DISCOVER THE THRIFT DIFFERENCE

Thrift is a "limited variety" Food Store. Which means we carry all the same categories of product as a regular supermarket but with fewer varieties of the same item. The only thing we don't carry is "Fresh Cut" meats.

A Different Fruit and Vegetable Department

We devote over 1/3 of our store to one of the largest fresh fruit and vegetable departments you've ever seen. Full variety at rock bottom prices.

A Different Way For You to Save Money

1. We're open fewer hours! This reduces our labour costs; savings we pass on to you.
2. We don't accept cheques! Therefore, we don't have to absorb the cost of bad cheques in our operation.
3. You price mark your own purchases with a marking crayon! This saves us both money.
4. You parcel your own groceries and again we pass these savings on to you.
5. You bring your own bags, or we sell them to you at 3c each! Another saving we can pass on to you through lower prices.
6. Our products are displayed very simply! Usually in the original shipping cartons.
7. Look for this sign — Thrift Pennypincher Extra - It indicates an exceptional purchase that we have made. These savings are passed on to you.
