

Hill takes Bradford tourney

New trophy

When you like doing something you just keep doing it until you get it right.

That could be the motto for the Richmond Hill Town League hockey allstars who romped to a three win and no loss record on the weekend in the annual Bradford hockey tournament.

"We got together for the first time to play the Richmond Hill Provincial A Rams a few weeks ago," said coach Barry Bingham. "The boys found they enjoyed playing together so much they've been doing it ever since."

That's why they decided to enter the Bradford tournament and the rest is history.

The Hill team blitzed by the opposition winning 5-3 against Murfin Shell of Newmarket, 8-0 against L. H. Oliver of Sharon, and 7-2 against Robinson Gulf of Bradford.

Not faring so well but giving it the old college try was a second all star team from the Richmond

Swim Meet

Louise Brisbois of Thornhill will be one of the swimmers competing this Sunday in the Junior Trials for Central East at Thornlea Swimming Pool.

The meet runs from 10 a.m. to 1 p.m. at Thornlea Swimming Pool on Bayview Avenue.

The competitors are vying for the Ontario competitions. Spectators are welcome.

Slo Pitch

The Richmond Hill Slo Pitch Softball league will commence its second season of operation with a tripleheader May 27 at the Town Park beginning at 6 p.m.

The league has expanded from four teams to six this season with the Red Eyes and the Misfits joining forces with the returning Sudsers (last year's champs), the Bombers, the Old Jays and the Ball Machine.

All teams will be equipped with new sweaters and caps. The opening games see the Red Eyes meeting the Sudsers at 6 p.m.; the Bombers against the Misfits in the middle game and the Old Jays going against the Ball Machine.

All teams will play 15 games each with a final round robin tournament held, involving all the teams, to decide a champion.

Hill league. They lost their first game 3-2 to Robinson Gulf and the second one 8-2 to the Bradford Allstars.

JELLING
"This was the team's fourth time together," said Bingham, "and they've just started to jell. They're just having a real good time."

SUN VALLEY
The "togetherness" has become so infectious the team is in the early stages of planning a trip to Sun Valley in the United States to compete in a tournament there.

But back to Bradford. The opening game win against Newmarket saw goals split evenly between Rod Chapman, Larry Clews, Earl Hook, Rob Hurlburt and Jim Roffey.

That turned out to be the toughest one of the three as the Hill team

romped by Oliver 8-0 in the second game with Ben Bourget picking up the shutout.

Tony Roffey led the scoring parade in this one with two goals with singles to Chapman, Dave Berseth, Steve Wilson, Hurlburt, Wayne Roffey and Phil Wilson. The win gave Richmond Hill a bye to the championship final.

And it was strictly no contest as Richmond Hill overcame an early 1-0 deficit to tie the game at 1-1 going into the second.

They then popped in five goals in the second to lead 6-2 going into the third.

Dave Berseth led the win with two goals with singles to Larry Clews, Rod Chapman, Tony Roffey, Earl Hook and John Gropp.

At game's end Richmond Hill received the championship trophy and

\$100 first prize. The Richmond Hill No. 2 Allstars lost a tough first game to Robinson Gulf 3-2 with John Clement getting both goals.

They bowed out of the tournament losing 8-2 to Bradford. Clement and Brian Simpson handled the scoring.

YOU ARE LOOKING AT A REVOLUTION IN WATER CONDITIONERS - IT'S THAT SIMPLE

KINETICO
KINETICO IS CONVENIENT
EFFICIENT, RELIABLE BECAUSE

- Fully automatic control valve uses no electricity.
- Analysis of your water determines frequency of tank regeneration. Once valve is set, no further adjustments are required.
- Automatic regeneration based on the amount of water used, eliminates the need for timers, salt selection, guest cycles, and vacation by pass.
- Regenerates only when required, rather than a fixed time, resulting in maximum salt conservation.
- Elimination of electric valve operation allows positive pressure valve actuation. (A power failure cannot interfere with continuous operation.)
- Exclusive twin-tank feature makes soft water available every hour, every day of the year.

Fraser to skate at celebrity dinner

Richmond Hill's Donald Fraser and partner Candy Jones will be two of several performers guesting at the 12th annual "Figure Skating Celebrity Dinner" next Saturday at the Toronto Cricket, Skating and Curling Club.

Fraser and Jones recently captured top honors at the Professional World Figure Skating Championships in Jaca, Spain.

They won first in pairs for the third year in a row. Both have competed professionally for a number of years and have skated in the Toller Cranston Ice Show.

Another pair of area skaters, Keith Swindlehurst, and Judie Jeffcott, placed second in the pairs dance competition in Spain.

The 12 annual Bursary Fund Dinner and skating show at the Cricket Club promises to be one of the best ever.

Other headlines include Lorna Wighton and John Dowling, Senior Dance champions of Canada,

Brian Pokar, Senior Men's champion of Canada, and Vern Taylor, one of the world's most exciting single skaters.

From the ladies standpoint, Ottawa's Janet Morrissey, Senior Ladies champion of Canada, and runner up Heather Kemkaran.

Also performing will be Tracey Wainman, the young Novice lady champion of Canada.

A complete list of the performers and their hometown is as follows:
