

**The house is the star of next play**

In "The Haunting of Hill House", the Richmond Hill Curtain Club's next play, the house has the leading role.

Its unexplained knocks and taps, the icy chill of its air, its rooms within rooms where light from the outside world never enters, create an eerie, oppressive, all-pervasive atmosphere that gradually overpowers Dr. Montague (Gerry Crack), Theodora (Carol Moore), Eleanor Vance (Bonnie Sheppard) and Luke Sanderson (Ed Cooke), who have come to the house to discover the secret of the haunting.

But perhaps Dr. Montague and his party are really at Hill House for another reason — a reason that only the house knows.

The show opens Friday, May 25, and runs through Saturday, June 9. Curtain time is 8.30 p.m. For tickets, call Madge Nicholson at 884-3703.

**Playground meeting set for Thursday**

Councillor John Birchall has invited Ward 3 residents to attend a meeting Thursday to design two playgrounds to be set up in the ward.

"The town participated in the funding," said Councillor Birchall, "I'd like the residents to participate in designing the parks and even constructing them."

The town has provided funding for two "creative playgrounds", one to be called "Lennox Park" at Cedar and Palmer Avenues and the other "Glenbrae", at Sussex Avenue and Paliser Crescent South.

The meeting is scheduled in the council chambers Thursday at 7:30 p.m.

**York officers resign force**

The York Regional Police Commission regretfully accepted the resignation of Sgt. David Knowles last Wednesday night.

"He's been a very valued member of the police force," said Police Chief Bruce Crawford. An Aurora native, Sgt. Knowles joined the force in 1966.

The sergeant resigned to move to Prince Edward Island to join a family fishing venture, the chief said.

At the same meeting, the commission accepted the resignation of Constable Kevin Sydock, who is leaving the force after one year to join an Ontario Provincial Police detachment in northern Ontario.

**DATSUN LEADS WITH LEAST NUMBER OF REPAIRS**

We read this in the April 16 issue of "Autoweek" and we couldn't have said it better. You may have heard about Datsun quality and pre-testing. These are no longer promises, they're practically guarantees.

AUTOWEEK, APRIL 16, 1979

**"DATSUN LEADS LIST OF WARRANTY WINNERS."**

"Exclusive actuarial information provided to Autoweek by the North American Dealer Group... shows that Datsun ranked number one for least number of repairs of all manufacturers selling cars in the nation."

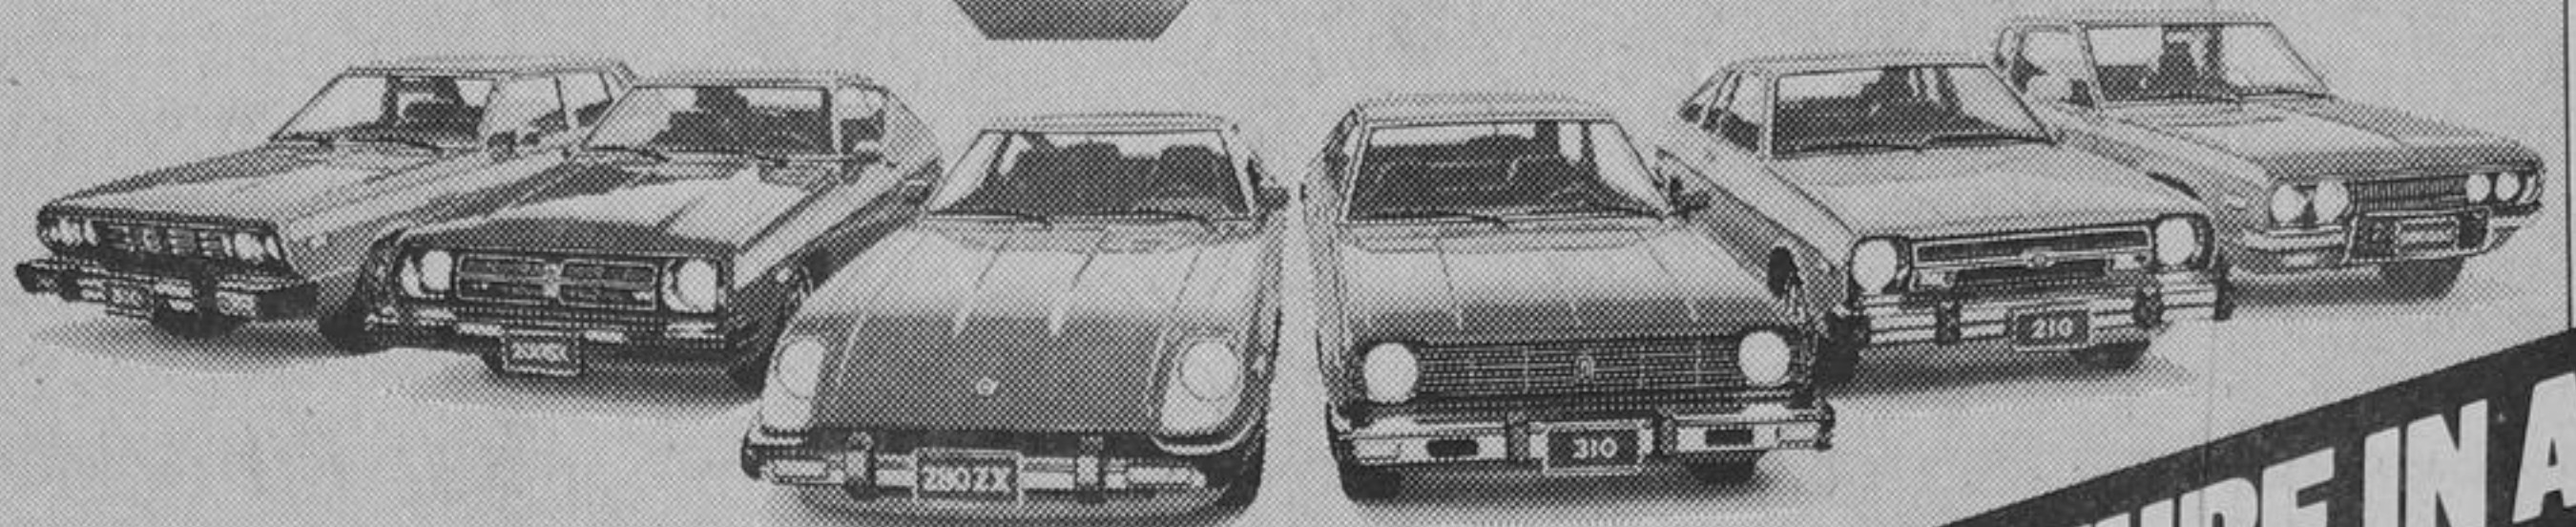

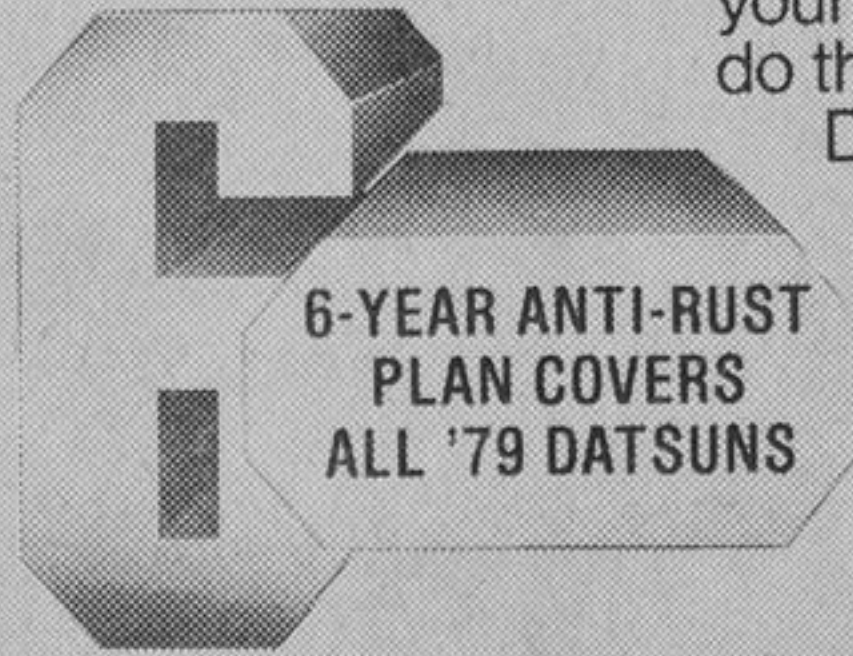

"A strong contribution factor to the position each maker had in the top six also is the cost of repairs as well as combined new and used repair frequency."

"The data represents information gathered by the (warranty) company in the form of claims in 191,212 expired service contracts on all makes and models sold in the U.S. over the past five-year period."

Here in Canada we go further: we back all '79 Datsun cars and trucks with 6 full years of rust protection at no extra charge—no other maker does. And we design Datsuns to run economically on any grade of gas. Quality, low service

costs and fuel economy, they're all part of a total plan to help your Datsun hold its value for a long, long time.

If you want to feel as good about your car next year as you do this year, visit your Datsun Dealer. Today.
