

Unionville Festival grows a day

The Village of Unionville is gearing up for the 10th annual Unionville Village Festival, which will be held the first weekend in June.

The first change in format this year will be in

the number of days. In the past nine years, one day has been sufficient for the festival, but committee members have decided to make it a two-day event beginning this year.

The Festival will be held June 2 and 3. Many events of interest to everyone in the community and from many other areas have been planned. Bobby Gimby will be on

hand to lead the parade Saturday morning at 10 and will perform at a dance with his orchestra in the evening.

He will also perform at the Curling Club at 11 a.m.

Community events include a breakfast Sunday morning, a church service and much more.

Mutt shows, look-alike contests, kite flying, parachute jumpers and

much more is included in the weekend's activities. The Village of Unionville is at Highway 7 and Kennedy Road and some of the streets in the village will be closed to traffic so that everyone can become actively

involved in every event if they wish. All proceeds from the festival remain in the community to help preserve the village image and for future restoration of some of the historical landmarks.
