

Letters Community Guide left out information

I was looking forward to obtaining the 1979 Community Guide, until I purchased it. This is the type of booklet we like to believe Liberal readers would pass along to new neighbors in the community, who perhaps do not purchase the local paper as yet.

to me, to find that the Richmond Hill Recycling Depot submission, which was provided upon request in March, was not included. To add insult to injury, we are not even included in the usual Interest Groups, Page 14. When we were gathering information before we opened in

October, 1975, I often read articles by Carol Danard, Unionville Recycling, and Claire Coates, Woodbridge Recycling, who both greatly assisted our early beginnings. Neither of those depots is mentioned either. It is interesting that Thornhill is included, as I encouraged them to make a submission. I am glad they are recognized. The Liberal usually gives us good coverage and we sincerely appreciate that.

money Spademan gives the Town for the tonnage we recycle. We were very low in our funds when the Ministry of the Environment donated \$5,000 to us. The gas for the recycling truck is \$250 per month and with salaries, maintenance and insurance, it totals \$1,800. We need a phone at the depot, but feel we cannot afford the \$36 monthly charge (which is apparently the lowest rate available, although we aren't really a business). We would like to purchase T-shirts and buttons to spread the word, but do not feel we have that money to invest. No doubt it was a lack of space, but next year, we suggest at least the location and times of all FOUR DEPOTS, please.

ED. NOTE: Elsewhere in this week's issue of The Liberal, you will find a list of items which failed because of space limitations, to be included in the Community Guide. Perhaps you could clip the section, and attach it to your copy of the Guide.

Seneca leases its facilities

Mr. George Timpson Mayor, Town of Aurora. We were shocked and upset to hear, this week, of the closing of the Seneca College, King Campus Day Care Centre, effective July 31, 1979.

retained, and, we trust that we can count on your support and your active involvement in this matter. Andrew and Suzanne Held, 56 Spruce Street, Richmond Hill

One of our daughters spent three extremely happy years there, and our other daughter was about to begin. We are certain that you, as a member of the Board of Governors for Seneca College, voted against closing the Day Care Centre, and, we are very encouraged to hear that the College has made a most generous offer to lease the existing facilities to the present Day Care staff, for the sum of \$1 per year.

We are most anxious to see this most valuable community resource

He thanks residents

In The Liberal of June 6, you reported the Richmond Hill Council approved the application for my property.

I would like to extend my sincere thanks to the area residents (more than 100) who put their trust into my case for the split into my land, not only with signatures but also with moral support.

Thanks, again. Silvio Tachella, 292 Rumble Avenue, Richmond Hill
