Applications for Operators of Automobile Damage Appraisal Centres Invited

Insurance Bureau of Canada is expanding its system of Drive-In Appraisal Centres. Centres now operating in Ontario, Alberta and the Maritimes indicate that competent operators can achieve an equitable profit while providing greater convenience and economies to the driving public. IBC now intends to expand the Drive-In Appraisal Centre program in the York Region.

All Drive-In Appraisal Centres approved by Insurance Bureau of Canada will be owned by qualified individuals or organizations, operated in accordance with IBC standards and procedures and subject to supervision and inspection by IBC.

Applicants should have a business background, preferably in the field of automotive repair or vehicle damage appraisal. They should have a good record of ability to serve the public. Ideally, they should also have a knowledge of the insurance industry.

Requests for formal application documents should be sent by registered mail, or delivered in person to Mr. John Le Page, Director - Appraisal Centres, Insurance Bureau of Canada, 181 University Avenue, 13th floor, Toronto, Ontario M5H 3M7. A certified cheque of \$100 is required which will be refunded when all materials are returned.

Final application documents will be considered on September 10, 1979.
