

Richmond Hill girl is married

MR. and MRS. KENNETH HOLM-LAURSEN

Florence Denise James, daughter of Mr. and Mrs. Richard James of Richmond Hill, was married to Kenneth James Holm-Laurson son of Mr. and Mrs. James Holm-Laurson of Dacre, Ontario, recently. The wedding, officiated by Reverend William Wallace, took place at the Richmond Hill Presbyterian Church.

The bride wore an empire waist, chiffon gown, with a jewel neckline accented with floral appliques and her mother's pearl necklace. The train and sleeves were softly pleated. The head piece and veil were lightly trimmed with matching flowers. She carried a cascade bouquet of red roses, stephanotis and babies

breath. The Maid of honor was Lynda James, sister-in-law of the bride. She wore a soft blue polyester Jersey with short-sleeve jacket, and she carried a crescent bouquet of blue tiger lilies, cornflowers, primrose and pink roses. The bridesmaids were Darlene Holm-Laurson (sister of the groom), Debbie Kerrison and Liz

Kinka, friends. Their dresses were dusty rose of the same style and same flowers. The flower girl was Jennifer Holm-Laurson. She wore a light blue dress with tiny blue flowers and a basket of the same flowers. The ushers wore light blue jackets with medium blue trousers and trim. The mother of the bride

wore a long dress of soft grey with rose floral pattern, navy accessories and a corsage of tiny roses. The mother of the groom wore a long dress of a soft blue with pleated skirt. The happy couple honeymooned in Florida, and have taken up residence in Downsview.

The future of Maple

The regional planning department wants more discussion on the Maple Community Plan before council gives it its blessing. Council last week authorized the staff discussions with the Town of Vaughan and the Ministry of Housing. Planning commission Hershel Weinberg is concerned about the effect of expansion of the Maple Airport on future residents as well as the impact of the Maple pits. The fate of the pits as the major sanitary landfill site for Metropolitan Toronto has not yet been decided. The plan approved by Vaughan calls for the development of Maple from its present population of 1,100 to 7,500. Final approval rests with the Minister of Housing.
