

SILVER MEDAL

For his efforts promoting horticulture and involvement with the Richmond Hill Horticultural Society, Bob Keith of CBC Toronto receives the highest award of the Ontario Horticultural Association — the silver medal. Past President Muriel Klie makes the presentation.

Hill families attend convention

Many families from the Richmond Hill area were among 25,000 delegates who attended the district convention of Jehovah's Witnesses at Montreal's Olympic Stadium. Local spokesman, John Bell said L.K. Greenlees of New York delivered the principal address of the meeting, speaking on the subject "Mankind's Only Hope — God's Unshakable Kingdom". Mr. Greenlees told the audience at the Olympic Stadium that viewing the present world situation has caused an increasing number of people to despair of ever seeing an end to crime and violence. Quoting a HARRIS survey, Mr. Greenlees said the vast majority of people want to see a decline in violence by 67 percent interviewed indicated they do not expect to see it in their lifetime. "Man's inability to provide a satisfactory administration of earth's affairs in this century has become more painfully obvious than ever before," he said. Citing human failure taking on "new proportions of seriousness," Mr. Greenlees said the events since 1914 have led the world to the brink of disaster. "It is high time for mankind to stop listening to the empty philosophies and promises of imperfect men and start listening to the One who knows," Mr. Greenlees continued. Highlights of the convention were the baptism of 331 new witnesses at Montreal's Olympic Pool and the release of a special issue of the Witnesses' periodical, "The Watchtower", marking 100 years of publication.
