### Properties expropriated

Two private properties situated on the north side of Steeles Ave. between Bathurst and Dufferin Streets will be expropriated by the Town of Vaughan to make way for a new road.

Vaughan council Monday night approved the expropriation bylaw after a recommendation from town engineer Dick Kraft. The road is a

requirement for a subdivision under the Thornhill-Vaughan plan.

Notices were previously sent to the property owners affected informing them of council's intent to expropriate as required by the Expropriation Act. No objections or requests for hearings were received by the July 9 deadline.
