ASSISTANT MANAGER

STARTING SALARY TO \$14,000.

This is not an "entry level" or "management trainee" position. We are looking for a mature, self-motivated individual, with a record of leadership and success in business (though not necessarily the restaurant business). After completion of an initial 3 month training program, he/she would be involved in and responsible for all aspects of managing a McDonald's Restaurant.

Some night and weekend work is involved, and a car for business is required.

Our rapid expansion and unequalled success in our field provide the successful applicant with a challenging future, with unlimited income and management growth potential.
