THE ANNUAL MUNICIPAL ENUMERATION STARTS NEXT WEEK

The annual municipal enumeration will begin on Tuesday, September 4, 1979. During this month, an enumerator, carrying a proper identification card, will call at your residence for a few minutes to check basic information required in determining:

- the allocation of education property taxes between the public and separate school systems;
- the distribution of provincial grants to local governments to help reduce local tax bills;
- the preparation of jurors' lists; and
- population information needed for other municipal programs.

The enumerator must record such information as the name, age, property status (e.g. owner or tenant), school support and residency of all members of the household.

When the enumerator visits, please check that the information on the Enumeration Notice is correct. If it is not, revise it and verify the changes.

If you are not home, a Notice will be left for you. If changes are necessary, please make them and mail the Enumeration Notice, as soon as possible, in the self addressed postage prepaid envelope accompanying the Notice. For any additional information, please contact the local assessment office.
