

September 4 baseball game will benefit project HOSTEL

A baseball game at Town Park next Tuesday, September 4, is going to be full of surprises — for the players as well as the spectators.

Mary Lou Brown, organizer of the game between York Regional Police and a team made

up of personalities from radio station CFGM, would not even hint about the nature of the surprises but did say, "It's going to be a night of real comedy".

Proceeds from the ball game will go to Project HOSTEL. The

organization responsible for "The Yellow Brick House", an emergency housing facility for women and children in York Region.

The game is the first of a series of fund raising events Mrs. Brown has organized for Project

HOSTEL. September 14 and 15 there will be a variety night at Aurora High School with 17 local en-

tertainers, including 10-year-old ventriloquist Carla Mulcahey, singer Cathy Chapman and

guitarist Wayne Martin, all of Oak Ridges. Tickets for the September 4 game at 7:30

p.m. are available at Rice's Flowers and Radio Shack in the Richmond Heights Plaza and

Homestead Plumbing Warehouse at 70 Newkirk Drive, as well as at the gate.

Fire destroys condemned cottages

Three cottages in Oak Ridges were involved in a fire in the early hours of last Wednesday.

The cottages at 307 North Lake Road caught fire at 12:48 a.m., and Richmond Hill Fire Department responded.

All three buildings were vacant, condemned and scheduled for demolition.

Richmond Hill firefighters were unable to save one of the cottages from destruction. Another suffered extensive damage and the third only minor damage.

The cause of the blaze is unknown, and RHF is not planning to investigate further.

There is no estimate of damages, because of impending demolition.

Wanda Woodman of Essex Avenue, Richmond Hill smiles fondly at her new daughter, Teresa May, who arrived August 21 at York Central Hospital.
