Levendale Rd. closes for six weeks

Levendale Road will be closed to through traffic and Richmond Hill Transit buses for about six weeks.

Last week construction began on installation of storm sewers on the south side of Levendale.

Once the pipe is installed for the storm sewer, the existing ditches will be backfilled and road reconstruction with curb, gutter and concrete sidewalks on the north side, will begin.

Homeowners have been notified by the Town of Richmond Hill to keep children away from heavy equipment between the working hours of 7 a.m. to 6 p.m., Monday to Friday.

The contractor, Warren Bitulithic Ltd. has been requested to provide one lane for vehicle access to private property, but through traffic, including buses, will detour via Lucas Street and Trayborn Drive.

The total cost of the construction on Levendale Road is \$120,000.
