

Orchestra preparing for biggest season

The York Symphony Orchestra has received a substantial operating grant from the Ontario Arts Council, but they'll depend heavily on public support to cover increased expenses.

During the 1978-79 season, the Symphony's growing audience

enjoyed an exciting and varied program.

Three concerts boasted capacity crowds, and 25 per cent more season tickets were sold last year than for the previous season.

Already many patrons have renewed their subscriptions, and the

Orchestra anticipates that the 1979-80 season will be the best ever.

This year's subscriber will enjoy an exciting musical package of four varied concerts in both Thornhill and Aurora. The piano, cello and tuba will be featured as solo instruments.

In December, the popular partnership of Y.S.O. with the York Choral Society will once again enliven Mary Lake Shrine with music to greet the Christmas season.

The 70-piece orchestra will delight music lovers with many challenging

pieces, including the ever popular Beethoven's Fifth and the powerful Second Symphony by Sibelius.

The Y.S.O. enriches the cultural life of the community and needs the support of the public.

Subscription tickets are now available for \$15 (a saving of 15 per

cent) and at the reduced price of \$8 for students and senior citizens.

The Orchestra will perform at the Thornhill Community Centre on Friday nights and at the Aurora High School on Saturday nights.

For further information, call Newmarket 895-8713.
