Left to Right: Frank Rybak, Mrs. Meltz, Richard and Heather Ziggelstein of Mr. Eat-Well.

## Mr. Eat Well a real deli

Mr. Eat-Well is not your average store — it's different. What's provided is specialized, personal service from the owners. Richard Ziggelstein's store is what it says it is — a Deli where prepared foods such as chicken renaissance, beef

knishes, honey garlic ribs, cabbage rolls, chicken crepes, cheese blintzes, chopped liver, hot barbecued chicken, hot corn beef and pastrami and many others are special. In the store is a special section for fresh fish such as fresh lobster, sole, etc.

Mr. Eat-Well caters for all occasions and custom cuts meats for freezer orders using only No. 1, Grade 'A'. Yes, they are open on Sunday. Drop in and see Mr. Eat-Well's Hillcrest Mall anniversary specials.

### Brandie Rose School of Dance

Brandie Rose Bellarance is a member of the British Association of Teachers of Dancing. She began dancing when she was seven and has been teaching since the age of twelve. Brandie, born in Toronto but raised in Richmond Hill, is married and has a two year old son. She has helped choreograph the Richmond Hill Skating Club and has helped put many children through the Peel Music Festival

competitions. The aim of the school is to provide the children with a source of recreation which will develop into a serious study of the dance arts. She tries to encourage serious study and also maintain a level of enjoyment. "After all, dancing is the most fun method of keeping physically fit. The school will also encourage competitions and exam work to give the children

a goal to strive for." Classes run from September to June with a recital in June which enables each child or group to show the parents what they have achieved over the year. Classes are held once per week in Tap, Jazz, Ballet, and Baton. The Brandie Rose School of Dance is located on the Second Floor Office Level, Suite 214, in Hillcrest Mall. For further information call the school at 883-4441.
