Milani trial probably November

After a hearing in Newmarket court Friday, Vaughan developer Cam Milani has been ordered to stand trial.

Although the trial date had not been set at press time, it is expected sometime in November.

Mr. Milani has been charged with bribing Vaughan Councillor Jan Poot.

Reports of the hearing were not allowed to be made public.

Lois Hancey joins parade committee

Former local politician, Lois Hancey, is back in public service. She is among the newest members of the 1979 Richmond Hill Santa Claus Parade Committee.

"I'm looking forward to helping in any way I can," she said, "to make the little ones in Richmond Hill happy."

Another politician, Councillor Dave Barrow, has relinquished his responsibilities as committee to local businessman, Frank Gallant, who said, "We on the committee are making every effort to give Richmond Hill the greatest parade ever held here."

Other committee members include Don Hicks, Bruce Venn, Dennis Young, Dave Barrow,

Doug Hinchcliffe, Jim Grainger, Rod Smith, Chuck Doyle and local broadcaster for CFGM Ron Knight.

Already seven of the biggest bands in Ontario have been signed up and local businesses are invited to get involved with a float or a donation, said Mr. Gallant.

The theme of this year's parade is "Christmas if for Children" to celebrate the International Year of the Child.

For further information contact committee member Ron Knight at 727-4926 or 961-1320, or Frank Gallant 884-7005. The next committee meeting will be held September 17.

Town still seeks parking solution

The Town of Richmond Hill is still looking for a solution to the parking problem for townhouse residents on Springhead Garden.

Questionnaires were circulated by the town engineering department to residents of Springhead Gardens and Weldrick Road.

Although townhouse occupants indicated there was insufficient parking and expressed interest in obtaining on street parking, private property owners objected to the proposal on the grounds it would interfere with driveway access and cause a safety hazard for pedestrians and motorists.

The engineering committee is now investigating the possibility of obtaining property in the Baif Park area to extend the existing parking lot.

Councillor for Ward 6, Mike Burnie, said he felt they only needed about 2,800 square feet of the park, "so we'd still have

a huge park", he said. "I don't object at all," said Councillor Burnie. "The town planned this section poorly. There is not enough parking — so, it's up to the municipality to help these people out."
