**PUBLIC HEARING**  
THURSDAY, OCTOBER 11, 1979  
AT 7:30 P.M.  
COUNCIL CHAMBERS, MUNICIPAL BUILDING, BUTTONVILLE

A Public Hearing will be held by Planning Committee of the Council of the Town of Markham to consider an application submitted by Great Thunder Holdings (Alberta) Ltd. for an amendment to the Official Plan of the Markham Planning Area for Part of Lots 17 and 18, Concession 4. The subject property has an area of some 11.7 hectares (29 acres) and is located on the west side of Warden Avenue approximately 891 metres (2925 feet) north of 16th Avenue as shown on 1/e map below.

The subject lands are presently designated Rural Residential by the Official Plan which permits development to occur at a maximum density of 5 persons per hectare (2 persons per acre).

The purpose of the amendment would be to permit a proposed plan of subdivision to be developed at a density of 10 persons per hectare (4 persons per acre) with lots having a minimum area of 0.4 hectare (1 acre). The 18 proposed lots will be serviced with individual wells and septic tanks.

You are invited to attend the Hearing and to state your support of or objection to the proposed amendment. Should you be unable to attend, written submissions will be received up to the time of the Hearing. The proposed amendment, the Official Plan and the existing land use maps may be examined at the Planning Office.

DATED September 21, 1979

Planning Committee
