

Richmond Hill Lions Club member Bill Mirrlees went to the Senior Citizen club meeting last Wednesday to explain the Lions' new "Vial of Life" program and provide necessary vials and forms. Seniors were encouraged to put "life saving" information about doctors, special medical needs, and medical insurance numbers in a small

plastic vial to be taped inside the refrigerator making it readily available and easily found by rescue personnel such as ambulance drivers, police or firefighters if the need arises. Mr. Mirrlees said well over 50 people took the vials and he plans to go back to the club so all can be registered. (Liberal Photo by Shaaron Hay)
