

Bayview soccer teams hot

It's been a banner year to date for boys soccer at Bayview Secondary School in Richmond Hill with both the senior and mid-level squads undefeated.

Not quite as successful but showing a lot of potential are the juniors with a win, a tie and two losses to St. Robert's and Thornlea.

"We've managed to build our teams up bit by bit in the five years we've had soccer at Bayview," states Midget coach Don McNair. "This is the first year we've operated with three squads in one season."

McNair's Midgets won their third game of the season Monday as against one tie when they came

from behind a 2-0 deficit to nip Markham 4-3.

Goalscorers for Bayview were William McMurray (his fourth of the season), Gavin Harvey (his fourth), Jim Bakonyi (second), and Tony Stewart (his second). Ray Robertson failed to score in this game but he has a total of three for the season.

"They are our big scorers," said McNair. Also having an excellent start are the Cliff Nuttall and Harvey Starkman-coached Seniors who have won five games in a row without a defeat including a 6-0 triumph over Woodbridge last week.

"We've got a very good team this year," said

Nuttall, "although we've got some stiff competition in Markham and G. W. Williams." Dead ahead are the semi-finals and finals which will ultimately lead to the Georgian Bay win-up November 14. The Georgian Bay will be held in the south this year.

In the meanwhile, the Juniors have managed to beat Thornhill and then tie Markham 0-0 Monday night. They are coached by Ron Crawford and Neil Graveson.

"The juniors actually have a terrific team," commented McNair, "but they just haven't been able to put it together. But they should be a potent force in the playoffs."

It's nice to be appreciated. Richmond Hill Minor Ball President Wimp McCrory (left) and vice-president Larry Mitchell (right) receive "Appreciation" plaques for their work in minor ball over the years. Umpire-in-chief Lou Chaisson makes the presentation. Absent but also receiving a plaque will be Secretary Bev MacDonald. (Liberal photo by Bruce Hogg).

St. Roberts wins by 5-1

The St. Robert's High School Junior Soccer team chalked up its third straight win downing Markham High School 5-1 behind the three-goal scoring of Dan Foti.

Mike Reitta was right behind with two goals. Team coach Bruno Rovere was happy with "the boys' performance over the past three games particularly by the fact the scoring has generally been spread around."

He added that it was especially gratifying since "a lot of our boys are first year players with the team. We're easily off to our best start in the three years we've been in soccer."

The team is competing in a soccer tournament in Newmarket on the weekend.

Appreciation

Hill soccer president retires

By PAT KELLY

The annual general meeting of the Richmond Hill Minor Soccer Club will be held November 30 at the Consumers' Gas building on Elgin Mills Road East from 7 p.m. to 10:30 p.m.

This meeting will be especially important because the term of Jane Stel, president of the club for the past two years is up, and she will be handing the gavel over to someone else.

Between now and November 30 the club is faced with the task of finding candidates for the presidency, people with the talent, the imagination and the capacity for hard work that Jane has shown over her years of service in local soccer.

The best wishes of all who are involved in soccer go with Jane whose retirement no one expects to be quite as total as Jane would have us believe.

More news of the annual general meeting will be appearing in future issues of "The Liberal". In the meanwhile, anyone who is interested in serving the club next year in any capacity, and who would like to know how they can participate, should contact any member of the present executive.

On other fronts the club held its end-of-season dance which, thanks to the meticulous planning of Treasurer Jeff Walker, paid off handsomely in an evening of fun and hijinks at the Richvale Community Centre last Saturday.

Following an evening of dancing to the music of the 'Good Vibrations' disc jockeys a buffet lunch was held and wound up a perfect evening that was replete with door prizes and raffle prizes.
