

Charity doesn't count; we want the money

By REV. CECIL ROSENBERGER
Gormley Missionary Church
"Everybody wins."
Well, that's what they tell us.
Don't you listen to the ads on television? They say that the Klondike Gold Rush has been greatly surpassed by their lottery in making millionaires. AND, you can be an INSTANT millionaire.
Maybe you heard about the poor

deluded chap who sold his house and "invested" it all in lottery tickets. He didn't win a penny.
How's that for "Everybody Wins"??
Lotto Canada was introduced to help reduce Quebec's Olympic deficit. Since that time the lottery has been characterized by colossal mismanagement and deception, according to a report released by the

Progressive Conservative Party.
Most outstanding is the government's false start to give competition to provincial instant lottery schemes.
The equipment of "Loto Select" was leased from an American Company for \$23 million. In addition, it is paying six months full salary to 50 staff who will never work, and is dealing with leased

office facilities, some for five years, which will cost hundreds of thousands of dollars.
It's hard to believe that fewer than 10 years ago such lotteries were a crime in Canada.
Everybody gets greedy. We're not concerned about the hospitals in Ireland, about somebody's new library or arena, or assisting some other humanitarian cause, we want

the MONEY.
We're selfish.
"I won't give unless I get something in return," is our philosophy. We won't give the 10 dollar bill as a straight donation.
People haven't changed since Jesus Christ said, "Watch out! Be on your guard against all kinds of greed; a man's life does not consist

in the abundance of his possessions". Luke 12: 15 (NIV).
Most of us couldn't properly handle an instant \$100,000 or a million dollars, anyhow.
If you want to be a WINNER, follow the advice of Jesus Christ, "... seek first his kingdom and his righteousness and all these things will be given to you as well". Matthew 6:33 (NIV).
