United Way is largest ever

"It's the largest campaign for the United Way in York Region by every measurement", stated Campaign Chairman Barney Danson at a general meeting of volunteers last Tuesday.

"The campaign goal of \$496,000 to support 18 United Way agencies throughout the Region is the most ambitious yet, but it barely covers the financial needs of these human care organizations", observed Mr. Danson.

He also noted, of equal importance, that this

year's campaign has attracted the largest number of volunteers in the brief history of the United Way in the Region. United Way campaign activity to date has centered on corporate and special name canvasses.

Companies throughout the Region are being visited by volunteers who are seeking corporate donations and the opportunity to solicit contributions from employees.

An organization of more than 100 businessmen has been

gathered for this job under the Chairmanship of Ellard Yeo (Vaughan & Woodbridge). Bruce Langstaff (Thornhill-Richmond Hill-Aurora-Newmarket) and Gib Coons (Markham-Stouffville).

Reports coming indicate that industry and employee groups in the Region will provide record financial support for the campaign.

More than 25 firms had payroll deduction programs last year and this number is expected to be well exceeded this year.

"We've been taking a business approach to the industries in the Region, and there's no doubt it's working", said Barney, noting that the actual results of the industrial campaign will not be known for some time. "There's always a delay of three to four weeks while in-company campaigns are underway."

Separate campaigns directed at special names (Bob Silcox) and professionals (Marv Bongard) in the Region are underway. Local

governments (Terry Goodwin) and teacher groups (Stew Adamson) are also being solicited, and Marg Collett, President, York Region Family "Y" is in charge of the Agency Canvass.

"The geographic area and population distribution of the Region make the job more difficult", said Barney, "but the cause justifies the efforts of so many hard working people and the results are starting to show."

Returns to date exceed \$100,000.
