Hill soccer girls have great season

By PAT KELLY Two of the Richmond Hill girls' soccer teams had such an outstanding season that they decided to take their talents south of the border. Gerry Van Essen's Pee wee girls, sponsored by Kiddie Kobbler, won both the league championship and the Cup trophy in a season that saw them lose only one

game. They spent an enjoyable Thanksgiving Weekend in the Washington area playing in a tournament. The only thing wrong with the weekend was the team's inability to win a single game. Still, the girls gave their best. Another Richmond Hill girls team, Levendale

Bakery, won both the league championship and Cup trophy and now hope to add to their laurels by winning the big tournament in Virginia November 22.

The Jim Mulholland-coached team will be the only Canadian female entry in the tournament. They will be travelling by bus and wearing track suits emblazoned with the

name of Richmond Hill. For the three days they will be there they will be the guests of the girls that were billeted in Richmond Hill during the Robbie summer tournament.

The Richmond Hill Minor Soccer Club, and especially their sisters on the Kobbler's team, wish them every success.

Minor Atoms win 10-3

Playing before television cameras brought out the best in the Richmond Hill Minor Atoms last Saturday when they walloped Aurora 10-3.

When Richmond Hill arrived at the Aurora

arena they found out the game was being televised by the local cable TV station.

Richmond Hill scored four goals in the first three minutes and kept right on rolling.

Danny Paterson and Derek Flood each had six point games. Paterson had four goals and two assists while Flood had two goals and four assists. Jon Lounds, Paul Black, Billy Hodges and Dean Arsenosi also scored

for Richmond Hill. Randy Cull, and Lounds each had two assists. Black, Hodges, and defenceman Pino Decina all earned assists. Jamie McGuire made some key saves in goal especially in the second period.

Unfortunately, the team didn't do quite as well at home on Sunday losing 6-2 to a powerful team from Barrie. Dean Arsenosi scored one goal from Billy Hodges and Randy Cull. Danny Paterson scored the other goal from Derek Flood and Jeff Macey. Jason MacDonald made some good saves in The Hill net and Chris Rich well on defence.

Hill Pee wee B's tie two and lose one

The Richmond Hill Pee wee B's managed two ties out of three games last week losing 1-0 to Thornhill, then tying Barrie 2-2 and Sharon 5-5. Against Thornhill the Richmond Hill boys put forth a brilliant defensive effort but lost out when the latter team managed to sneak a goal past Richmond Hill netminder Robert Mattacchione with just two minutes and four seconds left in the game.

scoring in the first period only to have Kenny McGivern tie it in the second from Wayne Miles. Barrie then got a go-ahead goal in the same period.

The exhibition game against Sharon saw Richmond Hill come from behind a 1-0 deficit to lead 2-1 going into the second period with Vince Romano scoring unassisted and Kenny McGivern blinking the light from Romano. Mike Rumble scored unassisted in the second period.

Richmond Hill pumped in two goals in the final period to tie the game at

5-5. It was Kenny McGivern scoring from Jeff Hankin and Vince Romano and Wayne Miles from Kerry Newman and Brian McKenna.

Richmond Hill goaltender Robert Mattacchione was injured late in the third period with Richmond Hill leading 5-3. Jimmy Kiely was called upon and Sharon capitalized on the "cold" goalie with two quick goals to tie the game.

He warmed up after that and held Sharon scoreless with some exciting goaltending in the last few minutes of the game.

Mike Rumble was the hero in the Barrie tie scoring on a shot from the point in the third period. Barrie had opened the

YES. IT'S A DATSUN.

Our new 200SX.

Bad news for Scirocco, Celica, Mustang, Capri, Camaro and Firebird. The new Datsun 200SX is about to make a big dent.

Rest your eyes on unabashed beauty. Take a seat in luxurious quietness.

Gaze at a dramatic showcase of sensory dials and gauges, back-lit, all-encompassing.

You are behind the wheel of an extraordinary machine. The engine is a fresh step in design. Electronically fuel-injected. Smooth. Quick. With the best power efficiency in its class.

A computer replaces the carburetor. No carburetor, no carburetor problems. Better gas efficiency at all speeds.

According to Transport Canada Ratings, a 1980 200SX beats every car mentioned above and dethrones Honda Prelude to become the new sports coupe champion in gas efficiency.

The moment of truth is how it handles. On a wet street, on a sharp corner, beautiful. With less body roll. Less side-slip. Taking a bump it grabs for the road.

Run through the five-speed overdrive. Feel how responsive, how precise it is. Power-assisted disc

brakes stop all four wheels. That's common only on cars costing many thousands more.

Technical superiority is one thing. Detailed craftsmanship, the first six year anti-rust plan, and knowing

that Datsuns lead in fewest repairs*, that's reassuring. But the emotions stirred by a new 200 SX must be felt personally.

Take one out for a test drive. We're sure the other cars you're flirting with will somehow understand.
