Results are as follows:

It was an old story for members of the St. Joseph's Separate School of Richmond Hill girls team when they competed in the Brighton Volleyball Tournament.

They won.

St. Joseph's, fresh from winning the York County Separate School "B" Division Volleyball championship, took on teams from Brighton, Bowmanville, Belleville, Foxboro, and Cobourg.

And they prevailed despite a fourth place finish in the opening round.

The opening match of the playoffs saw St. Joseph's take on Brighton and defeat that team two out of three. The strong serving of Stephanie Laycock and the defensive play of Heather Lance and Kathy Treppo were major factors in the victory.

Also coming up with solid efforts were Angela Guyton and Guilia Cerundolo.

Then came the championship wrap-up against Bowmanville with St. Joseph's jumping into an

early lead and going on to win the first match 15-11.

The second match featured an exciting come-from-behind drive by St. Joseph's after Bowmanville led by 12-8 at one juncture.

Maureen Flood was a standout in the comeback making a second effort defensive play at the net to regain service. Again it was Laycock and Treppo putting the game out of reach with strong consecutive serves to capture the championship by a score of 15-12.

Greg Wachna won a certificate in the 50 Back, Kelly Bell was second and Cindy Bott fifth.

In the 100 I.M., Level 2, Amber Ezechiels was second, Doug Keating third and Anne Parnis fourth. The 200 I.M., Level 3, saw Tim Andrew second, Janet Davidson, third, and Janet Evans sixth. Doug Clarke was second and Arthur Diamond fifth at Level 4. Raymond Hubrich was sixth in the 50 breast.

The St. Joseph's team received a trophy, plaque and individual awards for their triumph as donated by the Lions Club of Brighton.

Stated St. Joseph's coach Doug McFadden:

"St. Joseph's had the lowest enrolment of all the schools involved in the tournament and we came out the champions."

"We are extremely proud of the girls' effort seeing how we only had 15 girls to choose from in the entire Grade 7 and 8 classes at St. Joseph's."
