LOCAL NEWS

All danger from ice shoves on the Castor is past.

A few of the real old gags were worked on April Fool's day. Phone calls were numerous.

The north sidewalk leading to the bridge has several bad holes in it while the south one leading up the hill is in a disgraceful condition. As this walk is in continual use it should be properly repaired at once.

Who said street lamps.

Some of our youthful desperadoes may soon get a few weeks board and lodging if the tampering with car locks at the O. & N. Y. depot is not stopped. Station Agent Yell found the blade of a jackknife in one of the locks on away car It had evidently been broken off while the owner was attempting to force open the lock. A strong suspicion as to the guilty parties is held and prosecution may take place.

We are in receipt, this week, of a letter, dated at Glasgow, from Mr. Wm. Meharey, who is at present travelling in Scotland. He had a very pleasant voyage across on the Parasian. The farmers are busily engaged ploughing while the grass is green. Mr. Meharey reports himself well and having a splendid trip.

For the first time in many years the taxes in the west end of the township are all collected before the first of April. Mr. Thos. Carson, tax collector, settled in full with the Township Treasurer, Mr. Craig, on Monday. We understand that the other collector has not yet returned his roll having some four or five hundred dollars yet to collect.

Mr. Carson has spared no trouble to get in his share of the township monies and deserves credit for being done so early.

For spring colds, Electric Croup Liniment and Imperial Cough Emulsion. Medical Hall.

On Wednesday of last week a very interesting event took place at the residence of Mr. John Reany of Osgoode, when his daughter Luey was married to Mr. Quinn. Rev. E. Thomas performed the marriage ceremony.

Best Sarsaparilla. The best Spring medicine. Medical Hall.

The new iron bridge on the Nation at Lemieux had a narrow escape this year. The bridge was too low for high water and was ordered to be raised. This job was just finished a few hours before the water started to rise. Had the improvements not been made a disaster would have occurred. County Councillor D. Racine was bridge commissioner and it was under his supervision the repairs were made.

One of the children of Alex. Deguire died on Tuesday. The little one has always been sickly and when it was taken down with smallpox it was unable to shake off the disease.

A meeting of the Reception Committee of O. Y. B. Lodge, No. 39, will be held in Thos. Corscadden & Son's shop to make arrangements for the receiving and entertaining of the delegates to the Grand Lodge which will be held here in June.

IN MEMORIAN.

(Copied from the Orange Songster.)
The night dew that falls, though in silence it weeps,
Shall brighten with verdure the grave where he sleeps;
And the tear that washed though in secret it roll
Shall long keep his memory green in our soul.
May his grave be respected, his tomb be renowned,
In North Russell churchyard, in Russell county found;
And may all Orange brethren with me truly join
To honor the memory of Bro. Meharey.

Obituary.

Mr. Alexander MacDougall, son of Dr. MacDougall of Ottawa and nephew of Messrs Allan and Chas. Loux of this place died on Friday after a lingering illness. His body was brought to Russell on Saturday evening and interred in St. Mary's Cemetery on Easter morning.

The funeral sermon was preached by the Rev. T. L. Aborn of St. Mary's.

A large cortage of friends followed the remains to the grave.

The coffin was covered with beautiful wreaths.

The bereaved family have the deep sympathy of their many friends in their sad loss.

KENMORE.

The roads are in a very bad condition at present but we expect they will soon be good as the frost is nearly all out of them.

The village men and boys are spending nearly all their idle hours along the banks of the river. Their efforts are not all in vain as there have been quite a number of beautiful large fish caught and they hope the yield may be plentiful.

The farmer's report an abundant syrup season.

Miss Mulloy, our school teacher, has gone home on her Easter vacation.

Miss McNaughton, our milliner, has returned after spending a month visiting her old home near Perth, and has opened out a large and varied assortment of spring millinery.

Mr. C. F. McArthur is getting his store remodelled and we expect to see it, in the near future, one of the most handsome stores this side of the city.

Mr. D. Carkner & Son's sawmill is doing a good trade.

Everybody busy in our town.

Mr. Blacket Robinson, of The Dominion Presbyterian, Ottawa, called on The Leader last week. The Presbyterian is a handsome paper, full of useful reading. Its department of church news is very complete and at one dollar a year it should find a place in every Presbyterian home.
