The Celebration ON DOMINION DAY

A Pronounced Success--Good List of Events--Lacrosse and Baseball Match--Exciting Mile Race High Class Concert

The morning of the 42nd anniversary of Confederation dawned beautifully clear, and everything appeared to be conspiring to assist the Russell Athletic Association in making the celebration a success.

The event had been well advertised, and early in the morning teams began their way into town. A large number of former residents, wintered in the city, came to attend the celebration.

The committee in charge of the arrangements had no pains to provide a track in their sport every day. A ton of sawdust was sufficient for the night.

The lacrosse match between Marvelville and Berwick. The teams lined up at 1:30, and for one hour gave an exciting but gentlemanly exhibition of the Canadian national game. The score was 8-0, but this does not indicate the play, as the game at no period of its existence was one-sided, but this being only the second year of the Marvelville team, and not one of the team had ever done anything at the game until last season, and consequently were weak at shooting, while Berwick, being an older team, in addition to better shots, had a superior goal.

THE MILE RUN

The next event was the mile race, and it was keenly contested. There were three entries, Booth, Ed. Cole and Geo. Brown. In the first lap the first two were away from Brown about three feet, and in this position they ran until about one half way round the second lap, when they began to lengthen their lead, and it was that Booth was unable to follow the plucky little Englishman, trailed close behind him, but as he neared the home stretch he seemed doubtful as to his superiority, as he lengthened his stride, finishing an easy winner, making the course in 3 minutes, 50 seconds.

Cole finished a good second, Brown finished the distance, but was nearly fagged.

THE BASEBALL MATCH

The baseball match was called. The teams scheduled to play were Vernon and Russell, but since the arrangements had been made the Vernon team had been almost completely demoralized by the removal of several players, and the game came on before the team had time to reorganize.

Arrangements were finally made when two men from Metcalfe assisted the Vernon team, while W. Fitzsimmons, of Russell; and Mr. Wright, of Bearbrock, filled the receiving end of the team with credit to both himself and the team. This all-star aggregation put up a good brand of baseball, and at one time it looked as though the home team might be beaten. During the first few innings the score ran up to 8 to 1 in favor of the visiting team. The spectators in carriages kept crowding in so close that it was impossible to play the game, but after the fourth inning the crowd began to scatter to see the rest of the sports finished, and the exciting part of the game was over. Coming to the bat, made of one-half of the fifth, Russell and is exceeded by JIC CHOLLET.
