

"THE STORE OF QUALITY"

Man comes into this world without his consent and leaves it against his will. During his stay on earth, his time is spent in one continuous round of contraries and misunderstandings by his fellow beings. In his Infancy he is an Angel; in his boyhood he is a Devil; in his manhood he is everything from a lizard up; in his duties he is a fool; if he raises a family he is a chump; if he raises a cheque he is a thief and then the law raises blazes with him; if he is poor he is called a poor manager; if he is rich he is dishonest, but considered smart; if he is in politics he is crooked, and an undesirable citizen; if he goes to church he is a hypocrite; if he stays at home he is a sinner; if he donates to foreign missions he does it for show; if he doesn't he is stingy and a tightwad.

When he first came into this world everybody wanted to kiss him; before he goes out they all want to kick him.

If he dies young there was a great future before him; if he lives to a ripe old age he is in the way.

This life is a funny road, but we all like to travel it just the same, so while you are here, you will be satisfied and contented if you will join in with the Cheerful and buy your goods at —

- ☐ DRAW-OUT-DUPLEX GRATES—They are easy to replace.

**HENRY'S
Shorthand School**
OTTAWA, ONT.

Our school has achieved success from its inception, because of superior teaching, better discipline, eminently qualified teachers, complete modern equipment, and a square deal.

On the May Civil Service Examination, it was our privilege to stand foremost in passing the largest number of candidates. Such results can only be the natural sequence of efficient training.

Since January 2nd., over 90 students from local business colleges have joined our classes. Our Office Register will verify this statement.

Send for circular.
