each soldier on active service, by the convener of the Work Committee.

Following is one of the replies:—

Somewhere in Belgium,

Dec. 17, 1915

Mrs. C. E. McCaffrey,

Russell, Ont.

Just a note to thank you most heartily for the kind remembrance of the Russell Red Cross Society and your Xmas. Greetings.

Although my work does not necessitate going into the trenches, we patrol our divisional area well within range of the heavy artillery.

At this particular time I had been in the trenches for a week, for the experience, and on coming out yesterday found your kind letter and welcome parcel awaiting me. I can assure you that should

the other boys receive as sensibly packed parcels, they will be lucky indeed. Everything in it is useful and also things not easily procured here. I am also indeed proud to be considered as one of the 54 boys from Russell who have enlisted and also that so many have or are coming to do their bit, from home, for the Empire. They will all be needed and more. I don't think one can begin to imagine the immensity of the operation the grimness of the fighting or the awful fate that awaits us and those at home, should we lose, unless they actually come and see it.

Here we are in the same trenches which were held in October, 1914. Yet the men are working all the time—thousands of them—work which they know will likely be destroyed and done over again, before it is half done. To stand the strain and the seemingly uselessness of it all, they must know that those behind them are thinking of them and sending help which must yet come in millions of men before the Hun can be driven from his almost impregnable positions.

I met Capt. Herb. Cumming the other day. He is in the 5th Field Abulance which is quite close, but I did not know he was in this division. He was looking fine.

Again thanking you for your kindness and that of the Society and wishing you the Compliments of the Season.

Yours sincerely,

(Sgt.) Chas. T. Fitzpatrick, M.M.P.

## Mrs. Adam Young

The death of Mrs. Adam Young took place on Monday, Dec. 27th at her home near Ormond. The deceased had only been ill for a few weeks. About two weeks previous to her death it was decided to take her to a Montreal hospital for treatment where everything that science and skill could suggest was tried but the doctors could hold out no hope of recovery. She returned home about two days preceding her death. The late Mrs. Young's maiden name was Miss Emma Wilson. She was born near Ormond about fifty-five years ago, being the second daughter of the late John and Mrs. Wilson. She leaves to mourn her loss her husband, four brothers and two sisters: James, of Kenmore; John C., of Ottawa; Daniel and Peter of Dauphin, Man.; Miss Margaret and Mrs. Sammie Park, Kenmore. The funeral, which was very largely attended, was held at the Ormond Cemetery on Thursday of last week. The deceased will be missed by a large circle of friends and acquaintances for her personal kindness and hospitality.

She and her husband had just removed into their new home erected during the past summer which is one of the finest in the country when she was taken ill.

## Dr. James Kearns

At the solemn hour of midnight, on the eve of Christmas, when the Christmas spirit was at its height the last spark of life which illumined the earthly form of the late Dr. James Francis Kearns, expired in Lajunta, Colorado.

The late Dr. Kearns was born in Osgoode in the year 1862, on the old homestead, now the property of his only surviving brother, Peter of Kenmore. Deprived of the blessing of mother and father while quite young, he was left to fight his way through the world as he might. His early years were spent at carpentry, by which he prospered, and during which time he decided that his future career lay in the medical line.

As a student in the McGill University he graduated in 1893, and being of a rather frail nature, unfit to grapple with the hardships of Canadian climate he went to Lajunta, Colo. where he met and married Inva Hoffman. The late Dr. Kearns was soon appointed mayor of this town, a position he

held for four years. He was also a member of many of the leading societies of that place, and held a prominent position among the officers of the order of "Knights of Columbus."

Finding that his health was impaired he returned to Canada, to the old homestead, one year ago and remained here with his brother Peter for some time. Feeling that the change had done him good he again returned to his home in Lajunta.

On Friday morning, Dec. 24th word was received by his brother here, that Dr. Kearns was the victim of pneumonia. Further information implied that he had been in apparently good health until three days previous, when one night he returned home from attending a victim of the same trouble, and complained he found it very difficult to breathe. Being a physician, he understood his own case perfectly, and this fact naturally seemed to bear upon him, so much so that it was found necessary to remove him to the city hospital.

The came Friday night; when Death, taking no bribe, claimed its victim in the quiet of the night.

Besides his sorrowing wife, he leaves to mourn his loss two children William and Elizabeth; one brother Peter of Kenmore, and two sisters, Mrs. O. Callaghan of Cornwall, and Mrs. Ryan of Toronto.

His death was preceded some years hence by those of his sister Mary and of his three brothers William who was a lawyer and crown attorney of Chicago; Doctor James of Michigan and Thomas a contractor of Skagway Alaska.

"All the many friends you're leaving Yearn to meet you far above, When thy Maker will reward thee With the home you learned to love."

## Miss Mary Dewar

The death of Miss Mary Dewar occurred on Sunday at the home of Mr. and Mrs. Alex McGregor Kenmore. The funeral service which was held in the Baptist Church of which the deceased was a member from thence to Ormond cemetery where interment took place.

## Kemptonville Horse

### Shows Class

Mr. Hutch Patterson has returned from Toronto, where his horse Fred Hall won the 2:16 pace at the Toronto Driving Club ice races held at Hillcrest park. The Mail and Empire has the following to say regarding the race and the merits of this gamey little horse.

"Fred Hall annexed the 2:16 pace after Hal Actor, the Buffalo had won the first heat. The winner drew tenth position in the first heat and finished sixth, which allowed him to trail the pole horse the second heat. He followed Hal Actor closely the first three quarters, and then went by the Buffalo horse but had to be driven to withstand Brown Hal's challenge. He had little trouble winning the next two heats.

"Fred Hall looks like a mighty good green pacer and one that will have to be reckoned with next summer on the turf. He was not eligible for the 2:30 class here, owing to having obtained an ice record of 2:21 1-2 at Smith's Falls last year, but will be eligible for the 2:30 class at Montreal and Ottawa. At Montreal they recognize only turf records, while at Ottawa they only recognize their own ice-records." Time 2:21 3-4, 2:21 3-4, 2:23 1-2 and 2:21.
