**HENRY'S SHORTHAND
SCHOOL.**

OTTAWA, ONT.

On the May Civil Service Exam-
ination, this year, we passed more
stenographic candidates than the
other local business colleges com-
bined.

It is a common occurrence for
Henry-trained Students to get 100%
in shorthand, 100% in Type-
writing, and 95% in Composition.
These subjects being the most
difficult on this examination, our
our record of FIRST, SECOND,
and FOURTH places for all
Canada, is at once explained.

During the past two years more
than 235 students have come to us
from other local business colleges.
Does it not prove that we have a
superior school?

Our instruction being individual,
you may start at any time.
