THE STORE of QUALITY

Your Floors Need Paint

Paint preserves the wood. Paint keeps
floors sanitary and healthful. Painted floors make
the rooms bright and cheery. Painted floors are
easily cleaned—a damp cloth keeps them free of
dust and germs. Paint your floors and thus have
them always Spic and Span.

Senour's Floor Paint

"MADE IN CANADA"

is all ready to brush on—anyone can apply it
evenly and smoothly. And it gives a hard,
durable, lustrous finish, that stays fresh and bright,
and wears, and wears, and wears.

It costs less to use than other floor paint,
because it covers more surface and wears longer.

We have Senour's Floor Paint in 14
beautiful colors, suitable for every floor in the
house from kitchen to garret.

Come in for a color card, and a copy of our
entertaining book, "The House That Jack Built".
Written for children, but "grown ups" get a lot
of fun out of it. Free to our friends.
