Mr. and Mrs. Monahan have taken up residence at Edwards.

The members of L. O. L. of Edwards held their annual meeting on Wednesday evening of last week with a very large gathering, several visiting brethren being present and all reports showed that the past year had been a very successful one.

One of the old and much respected residents of this district passed away at his home here Saturday morning Nov. 22nd, in the person of Mr. C. H. Patterson, who had spent most of his life in this vicinity, coming here when quite a young man with his wife from Lower Canada, where he successfully carried on a blacksmith's trade along with his son David! He was 75 years old and died after a short illness, having previous to this enjoyed a good health. The late Mr. Patterson was much respected by all. **Mr. Mark Boothe**

The funeral of the late Mark Boothe took place from his late home on Friday afternoon. Deceased who was 82 years of age, had lived for the greater part of his life in this community, and was most highly respected.

He was of a retiring disposition, and although not prominent in public affairs, his support could always be counted on for any worthy object.

He was united in marriage to Miss Burch, who survives, also two daughters, Mrs. Fred Loucks Russell, and Mrs. Geo. Smith, Cannamore, and one son, William, on the farm at home.

Besides these, he leaves to mourn, two brothers, Mr. Jas. Booth and Mr. Henry Booth, both of Russell.

The funeral was held in the Methodist Church conducted by Rev. J. B. Howe, assisted by Rev. T. P. Shaver, a former pastor.

The sermon was practical and full of assurance to those whom mourners.

Interment was made in the family plot in the adjoining cemetery where following the religious service, the last rites of the Orange Order were exemplified by North Russell Lodge, of which he was a member.

Floral tributes were laid on the casket from The Family, Mr. Jas. Booth and family, North Russell Lodge and Mr. and Mrs. S. H. Cross Farm Point.

The funeral cortege was very large, all his many relatives and friends attending to pay their last respects.

The sorrowing friends are tendered the sympathy of the community in this their hour of sorrow.

**Mrs. B. Scharf**

There passed away at Brockville on Saturday, a much respected resident of this community in the person of Margaret Hay, relict of the late Beecham Scharf.

Deceased had not been in good health for some time, and a few weeks ago was taken to the hospital for treatment, but gradually grew worse until death came.

Born in Russell, at the homestead about three miles south of town, she grew to womanhood and married Mr. Beecham Scharf, who predeceased her about 20 years ago.

They resided in Russell where her husband was in business, and remained here after her husband's death until about eight years ago when she went to live with her only daughter, Mrs. Hodgins.

During her residence here she made many warm friends, who gave her a warm welcome when she returned each year for a short visit.

The remains were brought to Russell on the morning train Monday, and service was held in St. Anrew's Church by Rev. Cowan, Brockville, who delivered a most excellent address.

The pall-bearers were six nephews, Messrs. Walter, Thomas and Edward Fitzsimmons, George Hay George McKeown and Colin Hay.

Interment was made in the family plot in Louck cemetery.

A large attendance at the funeral testified to the esteem in which she was held.

Besides her daughter Mrs. Hodgins, she leaves to mourn, two sisters, Mrs. Jas. Brunton, Marvelville, and Mrs. Peter McKeown, of Osgoode, and four brothers, James on the homestead, Asthur, of Marvelville, William, of Winchester and John in the west.

Among those present were friends from Shawville, Iroquois, Brockville and Ottawa.

The many friends extend sympathy to the bereaved.

**"You don't need his Telephone Number"**

for Station-to-Station calls"

"If I could remember his number I would make my call Station-to-Station and save money."

This subscriber had the wrong idea. He didn't need to know the number of the distant telephone.

All he needed to say to the Long Distance operator was: "I will speak to anyone at ———" (then give her the name of the person who has the telephone—and the address too, if she knew it).

Perhaps this information will enable YOU to use the lower Station-to-Station rate more frequently.
