XI, No. 34

RUSSELL, ONT., THURSDAY, DEC. 9th 1926

\$1.50 a Year in Advance

## Your Column

"The Adventures of Grandpa" will be repeated in MacEwen's Hall on Friday evening, DEC. 10th. This is at the urgent request of a large number, who were unable to attend the first time. Admission the same as before. Remember the date.

Mrs. Wm. Loucks and Miss Anna are spending a month with friends in Ottawa and Nepean township.

Owing to the big year Mr. D. W. Robertson has had in the Ford business, the company has extended his territory to include Vars and surrounding country.

Mr. Jos. Yorkers sold his farm at the Stone School to Mr. Gilbert Anderson, who has had it rented for the past couple of years. Mr. Anderson has sold the bush on the farm to Mr. Ray Thompson, who is busy cutting it down and will sell the wood.

The three trustees of our village are unanimous in their desire to retire this year. It is now up to some other citizens to assume the burden. The job is not one that appeals to many but is a necessity if we desire to run our own affairs. Let us get busy and get some good men to stand and give them our help. The Hydro business adds to the work but if the right men are selected, the work can be carried on with no friction. There are several men who aspire to the position but let us select business men who can bring to the position some ability to deal with any question which may arise.

We have had a number of cases of petty thieving during the past few weeks, and we are of the opinion that means must be adopted to put a stop to it. Several clothes lines have had articles removed and wood piles have suffered. We are also told of people being awakened by intruders among their poultry. The trend of the times seems to be towards loose ideas as to what constitutes property rights. A good cure for this is a shot gun loaded and applied to those parties. Nothing will awaken their ideas better, and we think it would not be amiss in these cases.

"Laugh and grow fat." See "The Adventures of Grandpa", tomorrow evening.

Owing to his recent illness and not being able to care for his stock Mr. Chester Loucks will sell 16 cows and one horse by public auction on Friday, Dec. 17th. Ross Morrow, auctioneer.

Rev. J. B. Howe of Metcalfe is moving to Saskatchewan in a few weeks and will sell his household goods by public auction on Friday, Dec. 10th, at 1 o'clock. A lot of useful articles are offered. See bills for particulars. Angus Cameron auctioneer.

We were surprised on Saturday last by a call from Mr. Ford Garscadden, who has been absent for a number of years. We were surprised and pleased to learn that he had engaged in preaching the gospel. He has just finished a tour of evangelistic work in the Southern States, and is leaving shortly as a missionary to Africa. We feel sure that his many friends in Russell join with us in wishing him all success in his new field of labor.

Mr. Wm. Fraser left the last of the week for Hamilton, where he has secured a position for the winter.

Winter with sleighing has arrived and only two weeks to Christmas. Do your Christmas shopping early. The stores are full of nice things and early buying will give both you and the merchant a chance. Start the Christmas spirit now.

Mr. Robert Robinson, of Ottawa was around town the first of the week. This is the first visit he has made since his accident. He is now able to go around with the aid of a cane but says it will be several months before he is able to resume work. He suffered a broken arm and leg as well as a dislocated shoulder, informs us he is doing nicely, and hopes to finally recover so as to be able to work as usual.

The Literary Society of the Continuation School will hold their closing meeting for the year on Dec. 24th, in MacEwen and Stephenson's Hall. Watch for posters.

The Mission Band of the United Church will hold a tea and sale of fancy and useful articles and home made cooking on Saturday, Dec. 11th, 1926, from 4 o'clock to 7 p. m. in the school-room of St. Paul's Church. Admission 25 cents.

Don't forget the annual meeting of the Plowmen's Association at Gormley's Hotel on Saturday night at 8 p. m. Everyone interested in plowing and the future of our farm boys is cordially invited to attend.

The Russell Hockey Club will hold a concert in MacEwen's hall on Friday evening, Dec. 17, when the Moosewood Young People will present the play "The Path Across the Hill." See bills.

The Ladies' Aid of St. Andrew's church, Metcalfe, will hold their annual bazaar and concert in the Town Hall, Metcalfe, on Friday evening, Dec. 17th. Bazaar from 4 to 8 p. m. and lunch served from 5 p. m. Plain and fancy articles and home baking will be features of the bazaar. The concert will start at 8 p. m. and will be a play entitled "Farmer Haskins", put on by the Y. P. S. of Marvelville. Admission to concert 35 and 20 cents.

The Russell Merry-makers Dramatic Club will present the most humorous "Adventures of Grandpa", in the Town Hall, Metcalfe, on Monday evening, Dec. 20th, under the auspices of Metcalfe Curling Club. The greatest mirth provoker ever presented. You sure get your money's worth. Admission 35 and 20 cents.

Foster—Baldrey At the Manse Morewood, by the Rev. Haggen, on Nov. 25th, 1926, John B. Foster, only son of Mr. and Mrs. John Foster, to Madge Louisa Baldrey, youngest daughter of Mr. and Mrs. F. J. Baldrey, both of Chesterville.

Messrs. Alexander Moffat, Wallace and Rayford Maharey spent the week-end with their aunt and uncle Mrs. and Mr. George Bush, of Newington.

We are pleased to be able to say that George Camble came through his operation for appendicitis in good shape and is now doing well. He is expected home tomorrow.

Mrs. W. W. Kinkaid, of Chicago, is spending a few weeks with her mother, Mrs. Robt. Kinkaid, a Kenmore.
