The oft used wish but hearty and sincere, "A MERRY CHRISTMAS AND A BRIGHT FEW YEAR."

How much interest have you in the selection of our township council for the next year? Do you want the west side of the township to be represented or are you satisfied to pay your taxes and let them be spent without any thought as to the rights of the township as a whole? We would not ask, neither do we expect, that we should have more than two men in the council, but if the ratepayers of the west side do not take more interest we will not have even one. Last year Mr. Stewart Bradley succeeded in being elected and did his best for us, but one man alone can accomplish little. He is willing to stand again and Mr. P. A. McGregor is also willing to stand. Both these men are excellent citizens and will make good councillors. Let us get behind them and put them across. Be sure to do your share and have no regrets.

Christmas week would not be right without a dance so the hockey club are putting one on Wednesday evening, Dec. 29th. All the boys and girls home for the week will be there. When the day announced for his departure arrived, crowds were present at each of Petrograd's fifteen gates, to witness his exit. These spectators asserted that they saw and recognized Piretti, that he moved slowly, bowed to them, bade them adieu. And, as if to corroborate their declaration, the passport of the "wonderful conjurer" was inscribed in the register for that purpose at each of the fifteen gates.

The Sunday School of the United Church of Russell will hold their Christmas Tree and Concert in St. Paul's Church, Saturday evening, beginning at 8 o'clock. The children are admitted free. An admission of 25 cents for adults is charged to cover necessary expenses.
