## Your Column

A singing class similar to that conducted by Mr. Rickwood last year will begin on Thursday evening at 8.30 in the United Church by Mr. B. Bailey of Ottawa. Farmers will be pleased to learn that Mr. Andrew Walker is installing a seed Clean, Clipper and grader, and will be able to clean grain and grade it according to Government Standard. This is something that will be much appreciated as several of our local farmers have taken their seed grain all the way Ottawa for cleaning. Mr. Walker is to be congratulated on his enterprise and farmers should see him and make arrangements to have their seed grain properly cleaned and graded.

As the fall approaches, all those who have attended the former events look forward to the Chicken Supper. This event takes place this year on Friday evening, October 14th. Supper served in the vestry from 6.00 to 8.00 o'clock. The entertainment will be held in McEwen's Hall, commencing at 8.00 sharp. Mr. Orak and his concert party of Chesterville, will provide the music. These people need no introduction to a Russell audience as they have appeared here twice before, and are noted for giving a high class entertainment. They will provide an entirely new program, and those people who heard them recently over the radio, state that they are improving every day. You are therefore assured of a first class entertainment. Both supper and Concert for the sum of 50 and 35 cents.
