

TEACHER'S CONVENTION FOR RUSSELL AND PRESCOTT

The second joint convention of the Prescott and Russell Teachers' Institute was held in the Ottawa Normal School, Thursday and Friday October 10th and 11th, with an attendance of 400 teachers.

After the registration of members the President, Mr. Choquette, B. A., extended a cordial welcome to all the teachers; expressing his gratification at the large representation of both branches of the educational crafts of the counties; as it is only by co-operation that the best type of Education can be obtained, stressing the responsibilities resting upon them in the development and training of the young generations placed in their care.

Following the President's address, Miss Edna Dunning of the Ottawa Normal School, gave a very instructive and praiseworthy talk on "Music and its Appreciation," stating that music rightly taught is the best mind trainer on the curriculum; a combination of melody, harmony and rhythm, speaking to us eloquently on many different occasions, confirming her statements by vocal and instrumental selections.

In thanking Miss Dunning for her excellent address, Mr. Choquette declared that he felt satisfied that he was voicing the sentiments of all present.

Short addresses were given by Inspectors, Mr. A. McVicar, Mr. Gratton and Mr. Charbonneau.

The afternoon session opened by the placing by Mr. Gratton for the approval of the meeting, the list of names selected by the executive for the officers of the coming year. The said officers being unanimously accepted.

Honorary Presidents; Inspectors Mr. McVicar, Mr. Gratton, Mr. Mr. Choquette, Mr. Charbonneau. President; Mr. Dillabough Vice Presidents: Mr. H. Whitley, Mr. J. Pelletier Secretary-Treasurer: Miss Ethel Byers Committee: Miss Carriere, Miss Leduc, Mr. J. Millette, Miss Dunn field

Auditors; Mr. A. Douglas, Miss M. Lalonde. Delegates to O. E. A.: Miss J. O' Toole, Miss V. Sully.

The Misses M. Bonhower, and H. Carriere as delegates to the Ontario Educational Association gave their interesting reports. Miss Bonhower's address dealt with devices helpful to primary teachers. Miss Carriere dealing with senior work summarized the different topics taken by the speakers of the Association.

Friday morning the Public school teachers met with their Inspector, Mr. McVicar, B. A., in the Normal School, while the Separate School met with their Inspectors, Mr. Choquette, Mr. Gratton, Mr. Charbonneau, at the Ottawa University Normal.

After Mr. Dillabough, President called the meeting to order, Mr. Coons in his paper explained "Why and How I Teach Agriculture," taking as his topic "The Culture of the mind Must Precede the Efficient Culture of the Soil."

Suitable suggestions for "The Employment of pupils between lesson periods," were advanced by the Misses Gladys Wilson and Hil da Dawson.

Miss Cluff on "How I Make My School Attractive for Little Children explained that the essentials were love and sympathy germinating happiness between teacher and pupil.

ory and its bearing on the minds of children in creating standards of citizenship

Mr. Loueks in his address advocated, "Fifth Form work in Rural Schools," reasoning that the said work offers opportunities to the child, who in some cases is debarred from attending the town schools.

Reports by several teachers on improvements in accommodation and equipment followed.

Wishing the teachers a successful year and thanking them for their willing help, Mr. McVicar declared the Convention closed.

The following programme was given at the Ottawa University Normal School on Friday, Oct. 11.

RUSSELL ANNUAL

INDOOR MEET

One of the most successful Indoor Meets was held at the local arena on Saturday night before a large crowd. The events were keenly contested, especially the half mile Relay Race for a shield presented by D. A. McArthur, between Maxville and Russell, the former winning just on the tape. The Tug of War between the team of the town and the Football Club was a hummer. The Town eventually winning by two pulls to one.

Quite a large number from outside points entered the Horse Shoe Pitching, which was eventually won by D. McNeil, who won the special presented by G. Duncan. The double was won by A. Seguin and L. Johnston, of Edward. The cup donated by A. Goulet, M. P. for the best Russell athlete, was won by J. Ferguson, who received quite a cheer from the crowd. Followings are the results.

NOVEMBER ROD AND GUN

Featured in the November issue of Rod and Gun and Canadian Silver Fox News, Canada's national outdoor life magazine, which is just to hand, are some splendid and seasonable yarns of hunting in various parts of the Dominion. The noted western hunter, A. Bryson Williams, recently reappointed Chief Game Warden of British Columbia, returns to the pages of the magazine commencing another of his popular series of hunting experiences.

His article, however, is merely one of many dealing with all angles of outdoor life and fishing and hunting interests, while the silver fox department is an extensive section filled with timely articles regarding the industry.

Rod and Gun and Canadian Silver Fox News is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

LITTLE—McCALLUM

The marriage took place quietly on Wednesday, October 18 h. at the United Church parsonage, North Gower, of Georgina Mae McCallum, daughter of Mr. and Mrs. Robert McCallum, of Osgoode, to Robert Little, youngest son of Mr. and Mrs. Alex Little, of Kenmore. Rev. W. G. A. Wilson officiated.

The bride was becomingly attired in a travelling suit of navy blue jersey cloth and wore blue shoes and beige stockings with hat and gloves to match. The young couple left on a wedding trip to Niagara Falls and points in western Ontario and on their return will reside at Kenmore.

Don't buy any car until you have driven Chevrolet

IT'S all very well to listen to So-and-so's opinion of car values, but after all, the person whose opinion counts most is YOURSELF. It's all very well to sit back and wonder how Chevrolet can produce a really high-class Six . . . put a high-compression, valve-in-head engine in it . . . employ Fisher Body genius to create and build a series of magnificent bodies for it . . . equip it in the most detailed and up-to-the-minute fashion . . . and sell it at the price of a four.

The unmatched resources of General Motors, backing up Chevrolet's own tremendous facilities, explain all that, of course. But how much more satisfying to test it all out for yourself . . . behind the wheel of the new Chevrolet Six. That is why we urge you . . . no matter how many nice things you have heard or read about Chevrolet . . . to DRIVE CHEVROLET before you buy any car.

If you don't sell yourself a Chevrolet, nobody else is going to do it. Please don't feel you are obligating yourself in any way. It's a pleasure for us to place a Chevrolet Six at your disposal.

"LINE'S BUSY"
—business lost

WHEN a call comes for a man at the far end of the office the line is tied up for useless minutes until he reaches the telephone. Anyone else trying to call is told: "Line's Busy", but in reality the line is idle.

An office with only one telephone when it needs two or three, or an office in which telephones are poorly located, is a sure cause of unnecessary "Line's Busy", a sure time-waster, a sure business loser.

"Line's Busy" is the chief cause of the million telephone calls a day in Ontario and Quebec which fail to get through. They mean two million minutes a day wasted — congestion of traffic — constant irritation — a handicap to all business.

We are making every effort to provide the best possible telephone service.* But it takes three people to complete a call. Only through public co-operation can we reach maximum efficiency.

We would be glad at any time to have our experts survey your telephone facilities and submit a report. It will save time — yours and other people's — and it will get business for you which you are now losing through "Line's Busy."

*New telephone plant and service improvements will mean an outlay for 1929 alone, of more than \$27,000,000.
