Work is progressing nicely on the new bridge spanning the Castor in the village and said bridge is certainly a splendid one. Of single span with a foot path on one side and standards for electric lights at either ends, the new bridge is a credit to the powers that put it there. However we must give Dame Nature her share of the credit because she certainly put over a splendid job of removal and if Dame Nature hadn't removed the old landmark, we natives would still be doing a sort of glorified hula hula over the old one.

### OBITUARY

#### FORMER REEVE OF CUMBERLAND DEAD

One of the best known and most respected residents of Leonard, Ont., Richard James Moffatt, former reeve of Cumberland, died on Saturday at his home after a lengthy illness. He was 72 years of age.

Born in Leonard, he was a son of late Mr. and Mrs. J. Moffatt, who came from one of the older families of the district. He spent his youth in Leonard, but following the death of his father in 1880, Melvin, he moved to Leonard again. For three years Mr. Moffatt conducted a general store there but later took over a farm which he operated for the rest of his life.

Mr. Moffatt enjoyed the warm esteem of a host of friends throughout the district. For one year, 1928-1929, he was reeve of Cumberland, but did not seek re-election. He was a member of the Anglican church in Leonard and belonged to the Orange Lodge.

Surviving him besides his widow are six daughters, Mrs. C. H. Marshall, Eastview; Mrs. Robert Bicknell, Bedworth, Ont.; Mrs. Carleton Farmer and Mrs. C. Wright, Cumberland, and the Misses Muriel and Mary, at home; three sons, Lyman, Wright and Melvin, all of Leonard, and a brother, Herbert, Belmont, Man.

The funeral was held Monday at 2 p.m. from his late home to Trinity Anglican church, Bear Brook, for service. Interment was made in Bear Brook cemetery.

#### YOUNGSTERS SWIM RIVER

Three aspiring young water babies summering at Point Iroquois Pine Tree summer resort on Monday swam the River St. Lawrence. They were taken to the American side in a rowboat by George MacCaffrey of Russell, and plunged into the water and swam the one and a half miles to the Canadian shore. They were in the water about 20 minutes. The current at the Point runs at about ten miles a minute but the youngsters enjoyed it to the fullest extent. They were Emily MacCaffrey, aged 13; John Lee, 15, of Ottawa, and Jack Davies, 14, of Winchester. — Brockville-Recorder Times.
