Rules Re Hockey Players in 3 Classes

Many of our young hockey players and others do not know the age limits of Juvenile, Midget and Bantam hockey players and the following taken from the Canadian Amateur Hockey Association rule book will be of interest and value to a number of our readers:

Juvenile Player—One who is under 18 years Jan. 1 of the season in which he is to play.
Midget Player—One who is under 16 years of age on Jan. 1, of the season in which he wishes to play.
Bantam Player—One who is under 14 years of age on Jan. 1 of the season in which he wishes to play.

Young People's Union Russell United Church

The Young People's Union of the United Church at Russell held their weekly meeting on Monday evening December 20th. The meeting opened with a sing-song led by Miss Eloise Gaukrodger. The president, Miss Georgina Cherry, then conducted the business period. During this time Robert McNaught was elected to represent the Russell Union at the winter school which is being held during the holidays.

After the Lord's prayer in unison, Robert McNaught read the Scripture Lesson. Miss Aynslee MacEwen then sang "There's a Song in the Air." Miss Georgina Cherry then told the story of the Christmas card with the title "If Christ had not come." At the close of the story a choir of six girls—Misses Margaret Gamble, Jean and Muriel Hamilton, Eloise Gaukrodger, Aynslee MacEwen and Helen Waddell sang "O Come all ye Faithful." Remarks were made about rejoicing because "He has come." The offering was received and Miss Helen Waddell sang "Silent Night." Robert McNaught then led in prayer after which Miss Alice Lowrie, the Christian Fellowship Convenor took over the meeting and slides were shown on the "Betrayal of Christ." "All Hail the Power of Jesus Name" was then sung and the meeting closed with the Benediction.

SELECTED AS DELEGATE

Milton Little, of Metcalfe, has been selected as one of the 12 delegates to represent Queen's University at the national conference of Canadian university students in Winnipeg during the Christmas holidays.

At the conference every conceivable phase of university life will be discussed. It is hoped to effect a closer relationship among Canadian institutions of learning and to bring about a keener appreciation of undergraduate problems.

OBITUARY

FUNERAL OF THOMAS KINCHEN

The funeral of Thomas Kinchen was held from McKenzie's Parlors to St. Mary's Anglican Church, where a large number of friends gathered to pay a last tribute to one of our most highly respected citizens.

Born at Brieze Norton, Oxford County, England, he was the son of the late Stanley Kinchen and Ann Field. Migrating to Canada in 1912, Mr. Kinchen and his family settled in Russell where he has since resided. During the Great War he served overseas with the 77th Battalion, returning home with the rank of corporal. At the close of the war he resumed his position with the Borden Co. as stationary engineer. A conscientious worker, he was always popular with his employers, ever giving his best. As a citizen he was well informed and strictly attended his own business. The welfare of his family was his first consideration. He was a close student of current events which he followed very closely in the daily press. Of a retiring disposition he made a large number of friends who greatly regret his passing. He took an active interest in church affairs, being the People's Warden at the time of his death.

Passing in his 65th year he will be missed in the community, the church and the home.

Left to mourn his loss besides his widow the former Sarah Follis, he leaves one daughter, Mrs. Peter Griffin, Ottawa, and three sons: Thomas, of Sudbury, Ont.; Dennis, of Barrie, Ont., and Alex, of Cardinal, Ont. Also two grandchildren, Margaret (Peggy) and Clifford Griffin; three brothers, Richard, Edward (Ted) and James, of Brieze Norton, Engl.

The floral tributes were many and beautiful, testifying to the esteem in which the deceased was held, included in which were pieces from Russell, Ont. Branch, Bank of Nova Scotia; Barrie Ont. Branch, Bank of Nova Scotia, Employees of Canada Starch Co., Cardinal, Ont., and the Staff of the Government Motion Picture Bureau, Ottawa.

Service was conducted by his pastor, Rev. Robert Turley, after which interment was made in the parish cemetery.

Local and Personal

Mr. John Twiname spent Sunday with friends in Ottawa.

Mr. Harold Snell, of Ottawa, spent Sunday at his home here.

Mrs. H. H. Shepherd spent Friday with friends in Ottawa.

Mr. Harry Knox, of Iroquois, was in town this week.

Mr. William McArthur spent the week end with friends in Pakenham, Ont.

Mr. H. F. Boyd, of Osgoode Station, was in town renewing old acquaintances this week.

Mr. D. M. McGregor is spending a few holidays with his brother, James, at Ormond, Ont.

Mr. and Mrs. Paul Sanders were guests of Mr. and Mrs. Ted LeMaistre last week.

Mr. and Mrs. Adelard Latour received word that their son, Lloyd, who is at Gods Lake, is leaving by plane to be home for Christmas.

Mrs. Wm. Loucks spent a few days with Mrs. Calvin Stanley, Greeley, whose four-year-old daughter is seriously ill with pneumonia.

Mr. Fisher, who has been principal of the 10th line Public School, is taking over the principalship of Metcalfe School.

Mr. and Mrs. Robert McKeown have left for Phoenix, Arizona, where they will spend the winter months the guests of their son, Dr. Hilton McKeown.

Council met last week for the month with each chair filled and considerable work was accomplished. Deck is being cleared for action and petty politics will be the order of the day.

Hockey is about as slow starting as the municipal political pot is starting to bubble, in fact its sizzling. It seems that there will be three persons in the field for reeve and we believe that J. L. Steele will run for deputy-reeve, and there is a possibility of Stuart Bradley and Andrew Little for councillors. Just what it will end up in is problematical and we won't lose too much sleep until after nomination day and then not too much after that.

Here's a chance for everyone to help line up the locals and personals for next week—just send us, write us, phone us or tell us who you had visiting you over Christmas. We would be glad to know and you know they would like to know that you thought enough of their visit to put it in your paper. So now that you know what I would like to know and you know what they know, why not let us know about the visitors and then we will all know.

As reported some time ago the municipal political pot is starting to bubble, in fact its sizzling. It seems that there will be three persons in the field for reeve and we believe that J. L. Steele will run for deputy-reeve, and there is a possibility of Stuart Bradley and Andrew Little for councillors. Just what it will end up in is problematical and we won't lose too much sleep until after nomination day and then not too much after that.

ANNUAL MEETING ST. MARY'S GUILD

The annual meeting of St. Mary's Women's Guild was held Wednesday afternoon at the home of Mrs. L. T. Stanley. In spite of stormy weather, there was a good attendance of members. Reports of various officers and committees were heard, showing the work of the Guild is progressing favorably. The following officers were re-elected by ballot:
President—Mrs. C. Miller.
Vice-Pres.—Mrs. C. E. McCaffrey.
Secretary—Mrs. R. E. Young.
Treas.—Mrs. Elwood Cochrane.
Conv. of Rectory—Mrs. D. Carson.
Mrs. A. Munday was elected convener of Sewing.

At the close of the meeting there was a social hour.

Applicant—"Well here I am to see about that job you advertised."

Boss—"Do you think you can do the work?"

Applicant—"What! I thought you advertised for a foreman."

A corporation selling a nationally famed product, priced at a nickel, estimates the absolute bottom of the depression came in June and July of 1932, based on the sharp drop of their sales at 5 cents apiece.

A Christmas Reminder:

"When they saw the Star, they rejoiced with exceeding great joy. And when they were come into the house, they saw the Young Child, with Mary, His Mother, and fell down and worshipped Him."
