Mr. Wm. Scott reports the sale of a number of pure bred cattle to American interests. In this connection Russell township is fast approaching the stage where it is a bonanza for American interests searching for pure bred live stock. Surely the many sales of live stock this past winter must make our breeders of pure bred cattle aware of the importance of this industry as well as those breeders who do not keep an up to the minute herd of pure bred cattle.

One of Russell's oldest ladies had a birthday party last week and it was to celebrate her 83rd birthday. This old, young lady is Mrs. Levi Fetterly who, despite her advanced age does her own housework, reads, sews, and in summer does a bit of worth-while gardening. The party was given by her son Mr. Allan Fetterly and was attended by Mr. Cecil McKendry, a grand-daughter, Mrs. Wm. Shepherd, Mrs. Wm. Long, Mr. and Mrs. F. Hummel, of C'esterville, Mrs. D.
