COMMUNITY MOURNS FOR

MISS SARAH O'CALLAGHAN
The funeral of Miss Sarah O'Callaghan, who passed away on Thursday evening, after a long illness, was held on Sunday afternoon to St. Catherine's Church, where Libera Service was conducted by Rev. M. J. Mooney. Interment was made in the parish cemetery.

The late Miss O'Callaghan was a daughter of Thos. O'Callaghan and his wife, Mary Masson. Early settlers of Osgoode Township, near the Village of Kenmore. During the past 25 years, however, Miss O'Callaghan has been a resident of Metcalfe Village, where she was a devoted member of St. Catherine's Church, giving her best efforts to the work of the parish at all times. Chief mourners are a brother, Robert O'Callaghan, of Los Angeles, Calif.; two sisters-in-law, Mrs. B. O'Callaghan, of Cornwall, and Mrs. E. O'Callaghan, of Montreal, and several nieces and nephews, including Miss Ann Masson, E. A. Masson and W. J. O'Callaghan, all of Ottawa.

CURLING SEASON CLOSURES

The curling season closed with a series of competitions and bonspiels which occupied every spare moment of the players in the race against soft ice. The bonspiel for spoons given by Mr. F. Murphy, of Ottawa, only reached semi-final games in the men's club, but we understand the final round is to be played on an Ottawa rink. In the ladies' club the spoons were won by Miss Margaret Leahy, Mrs. Lloyd Graham, Mrs. J. Eldon Craig with Miss Marguerite Rowan, skip. In the green singles for irons, presented by Mr. H. Kilborn, of Ottawa, Mrs. Lloyd Graham was the winner. The silver entree dishes presented by Mrs. E. McGirr were won by Mrs. J. Eldon Craig, Mrs. C. F. L. Morrow, Mrs. Lloyd Graham with Miss Marguerite Rowan, skip. In the "wee iron" contest Miss Muriel Cameron, Mrs. Walter Palmer, Mrs. E. McGirr with Miss Ida Cameron, skip, came out on top. The Scotch doubles for silver plates donated by Mrs. Lloyd Graham reached only semi-final stages and is being held over for the time. With a total membership of 80, the clubs here enjoyed one of the most active and successful seasons since organization, and the only regret being voiced is that the ice went so early.

We do not know anything of our own resources until we have taught ourselves to stand alone. Not until we think for ourselves, act for ourselves, do we become more than infants in the moral universe.—Angela Morgan.

Keep Your Herd FREE From Abortion

As you well know, Abortion is one of the worst evils which a farmer must fight. One of the Best Methods available as a Prevention is to feed daily, a measureful of "BELL'S MINOVITE." We strongly recommend using CATTLE MINOVITE, made by BELL'S of Verdun, Que., the year around. It creates strong, healthy Cattle, and a Sound, Healthy Cow is almost impervious to abortion. Costs only \$7.25 per cwt. and is money well invested in Dairy Stock. Bell's Minovite is a properly balanced Mineral Supplement, and is, we believe, the best value for your dollar in this line, on the market. Come in and ask us about it and the method of using Minovite.

Problem No. 47

Nancy changed the position of the three blocks and spelled CAB and FED.

Problem No. 48

Tom's mother gave him 1 cent which Tom gave to Bill on account. Bill gave the cent to Ed, leaving his debit balance one cent. Ed then gave the cent to Tom, which left his balance one cent. Then Tom paid another 1-3 of his debt to Bill, who gave the cent to Ed, thus squaring that debt. Ed then squared his debt to Tom and Tom then paid Bill in full.
