Figure Skating in full swing

The 1977/78 season gets off to a start on October 3rd at 4:00 p.m. A Class for Mothers will be held from 8:00 - 8:30 p.m. every Wednesday. Our aim is to teach those mothers interested the fundamentals and basics of skating, without the fear of falling. For further information phone 445-2146.

As has been in effect during our last skating season, the ice has been sectioned off for a practice area for those figure skaters wishing to make use of the ice. The CVFSC has ice time on Monday (4:00 - 5:00 p.m.), Wednesday (6:30 - 8:30 p.m.) and on Friday (6:15 - 8:15 p.m.) for lessons and practice sessions.

The National Figure Skating Program will be used as a background for teaching ALL classes of the Club, and badges may be obtained for those tests successfully completed.

Figure skating provided its members with grace, balance, competition inside and outside the Club, and goal attaining. It can also provide hours of enjoyment and a chance to meet new friends. If you have time on your hands, or just feel like getting out and trying something new — JOIN US AT THE ARENA.

Church celebrates 90th Anniversary

The 90th anniversary services were celebrated at St. Andrew's and St. Paul's United Church, Sept. 25.

However, the history of the church dates back much further than 90 years. The Presbyterians of the area travelled to Springhill in Osgoode Township and worshipped there for a few years.

The first church was built at Luxembourg, then a village one mile east of the present village of Russell in 1858. The lumber was donated and church willing hands erected the church.

As the congregation grew and the village of Duncanville (now Russell) became larger, the present church was built on Mill Street in 1888 at the cost of \$10,000. It was named St. Andrew's during the ministry of Rev. D. L. Gordon, 1908-1914.

In 1925 the Methodist congregation of St. Paul's (the church which was later the McCaffrey Warehouse and burned in July 1975) united with St.

Andrew's to form St. Andrews and St. Paul's United Church. There are no early records of the Methodist Church as they were lost in a fire.

The Sunday School Hall was added in 1927 under the leadership of Dr. A. P. Menzies. Dr. Thomas McNaught ministered to the congregation for 25 years. The present minister is Rev. Leonard Woolfrey, B.A. M.P.S.

Dr. James Stuart of Alta Vista Baptist Church was the guest speaker at the morning service and brought an inspiring message: "Together with Christ". Special music was rendered by the choir under the leadership of Mrs. J. Twiname, R.M.T.

The evening service planned by Mrs. R. W. Gamble. Dan Hay and Rev. L. Woolfrey took the form of a musical program. Greetings were read from Presbytery by Mrs. R. W. Gamble

O.T.H.S. Magazine Campaign

The students of O.T.H.S. have decided to undertake a fund-raising project in order to purchase new equipment for the gym.

The costs involved in such a project are high and in an attempt to lower these costs, so

that as many students as possible are able to participate, the OTHS Athletic Association, among other money-raising projects, is conducting a magazine subscription selling campaign from October 25 to November 7.
