White Water Scouts

Russell scouts paddled their way to third place in the Great Rideau River Raft Race at fall camp at Rideau River Provincial Park near Kemptville last month. The race was won by a troop from Ottawa in a contraption of rubber tubes and cedar poles. Participants were required to build their own rafts which were fashioned with everything from five-gallon drums to self-inflating aircraft rescue chutes. Twelve troops competed. Sixteen Russell scouts attended the fall camp.
