

Russell still crowded

Russell Public School may once again have to face an overcrowding crisis despite the fact 125 Cambridge Township pupils were transferred this term to rented accomodation at Maxville.

While the situation is not yet serious, Harvey Leroy, business superintendent of the Prescott-Russell Board of Education's elementary panel, says the school enrolment is increasing constantly due to the Russell-area population boom.

Last winter, enrolment was 387. Although 125 pupils were removed, new registration has kept the total at 311 this term.
