## Busy PD Day for Teachers

A recent pedagogical day at Metcalfe Public School was a busy affair, reports principal J. R. Thomas.

The morning session included discussions with department heads from Osgoode High School on student progress and on

proposed program improvements in Grade 9 and 10. Discussions followed on aspects of all courses.

Afternoon activities included workshops and seminars on pupil evaluation, intermediate language arts, primary-junior lan-

guage arts, professional development films, primary-junior school visits. Plans were made to visit with staff at Greely Public School.

The activity days are designed to aid teachers in planning innovative programs.
