Snowmobile rally a hit

By Bruce Woolsey

Another very successful snowmobile rally was held on January 20, sponsored by the Russell Bogie Benders. All 106 machines registered for the rally finished the 50 mile course. The weatherman co-operated to the fullest by providing a beautiful wintery day. The rally is run on a 'hidden time' principal.

The winner of the Bill Morrow Memorial Trophy for closest time in the rally was entry number 107, Albert Hayter, with a time of 3 hours and 42 minutes. Closest time for a female was entry number 45, Susan Smygrwat with a time of 3 hours and 41 minutes. Other prize winners were Richard Casselman, Fanny Casselman and Glenn Lowe. Jack La France, entry number 138 with a time of 4 hours and 36

minutes, won a trophy for the slowest time.

The food service was handled quite well by the Rangers. Our compliments and thanks to the cooks and bakers for the marvelous meat loaf and scalloped potatoes and cakes and squares. Certainly a hearty meal for the snowmobilers and their families and friends!

The organizer would like to thank everyone who participated in the rally for making it the success that it was. Not to be forgotten are the numerous (too numerous to name, but you know who you are) volunteers who helped with the various jobs necessary to put a rally such as ours together. Without your help our job would be impossible, so a big thank you to all of you.

New Osgoode fire numbers

The Osgoode Township Fire Department is endeavouring to serve its residents better through improved communications. The department now has two telephone emergency numbers for the complete township: 821-2121 is to be used as first choice for the eastern section of the township and 826-2424 as first choice for the western section. In cases where any difficulty is experienced reaching the first choice number, the other number can be used.

A new internal communication system has recently been installed in all departmental vehicles and a pager system is also being used by some volunteers at each of our four stations. The Osgoode Volunteer Firefighters Association has undertaken a project to raise \$4,000, for the purchase of additional pager units. This will improve response time in cases of emergency and will not mean an increase in tax dollars having to be used for this purchase.

The Association is presently organizing an Auction Sale to be held in late spring to raise this money. We would appreciate donations of any items which may be sold at this auction. If you wish to contribute, please call any of the following numbers and make arrangements to have the articles picked up: Greely Area, 821-2936; Metcalfe Area, 821-2630; Osgoode Area, 826-2846; Manotick Area, 692-2152.

We have already received several items and some cash donations and would appreciate receiving additional items at your earliest convenience, allowing us to finalize plans. Further information concerning final dates, etc., will be made available when we feel all items for this project have been received.

If you have any questions concerning the fire department operations or any fire prevention items, please call Peter Griffin, Fire Chief, at 821-1517 or Blaine Ball, Chief Fire Prevention Officer, at 821-2010.

Kenmore schoolmate get-together

Perhaps there are many people who are not aware that Kenmore was once the site of a very busy continuation school. Many years have passed since the school closed its doors for the last time and an effort is presently being made to bring together former teachers and students who were once part of the thriving institute of learning.

The reunion will be held at the Metcalfe Exhibition grounds on July 21. Committee members working on the project include Ray Wilson, (821-2979); Hazel (Waddell) Rombough, (445-2845); Margaret (Park) Duval, (346-2226); Archie Sheldrick, (821-1946); Ormond Craig, (821-1827).

If you were ever associated in any way with the school or have some interesting photos or memorabilia, committee members are eager to hear from you.
