

HORSE BITS with Lola Wood

The Castor Review is pleased to welcome a new column on animals of the equine variety. Local horsewoman Lola Wood is prepared to answer any of your questions, and if she doesn't have the solution at hand, she knows someone who does and will pass the answer along. Lola has a wealth of experience in the care, training and understanding of horses and she welcomes any inquiries no matter how unimportant they may seem. Lola has an

extensive library and can trot out books on any subject related to horses. So if you want your questions answered by someone who knows, or who can find out, write Lola at: Pinetree Stables, Box 101, Russell, Ont.
