## GREELY

With Carol Parker

July has been a good month at Greely. A total of 792 books were loaned out, and 58 junior readers joined the Summer Reading Programme, and several of these readers have already finished their 10 books. The "Write-a-Book" Competition is proving very popular, and quite a few entries have been handed in. The Award night for this competition is on October 1. This will be a good start to Library Month, for which we have some exciting events planned.
