Women's Institute

'For Home and Country':
85 years later . . .

By Mary Inglis

Women's Institute is a name many of us have heard, but have not taken the time to learn about. Our organization has been in existence for 85 years and although many of our objectives have become more modern, over the years, they still serve the same purpose for which the Women's Institute was founded in 1897.

The initial purpose of Women's Institute was to help educate girls in Domestic Science — this is still one of our main objectives. We supply leaders and financial support for 4-H Groups as well as Senior Workshops on everything from Baking Bread to Interior Decorating.

We help women acquire sound and approved homemaking skills — old and new. Many of our members have developed leadership qualities as well as becoming better informed and more useful citizens. By promoting the use of available resource materials we are able to identify and resolve needs and problems in the community and country.

We are proud of the fact that we can celebrate 85 Years of continued success. Here in Russell we

have two active W.I. groups — Russell Village W.I. who meet every 1st Tuesday of the month and North Russell W.I. who meet every 3rd Tuesday of the month. Visitors are always welcome.

A copy of the History of Women's Institute is available at the Russell Public Library and a copy of our Tweedsmuir History (a local History of the Russell Area) is on display in the reference department.

For more information contact: Mrs. Leo Bekkers (Cherry), President, Russell Village, Mrs. James Bertrand (Ruth), President, North Russell, or Mrs. Kay Johnston, President, Greely-Manotick Station.

North Russell

By Helen Booth

North Russell Women's Institute held its January meeting at the home of Mrs. John Morrice. The president opened the meeting with the Institute Ode and all repeated Mary Stewart Collect.

Fourteen members answered roll call "Bring an item of interest from earlier days". Motto was: Record the past, enjoy the present

and have faith in the future. Minutes were read by Mrs. Keith Dugdale in the absence of the secretary. The Treasurer's report was given.

The meeting was informed that the 4-H Training Course will take place on March 18 and 19 at Bearbrook Centre. It was decided to place an exhibition in the Russell County Seed Fair in Embrun on March 4 to 6.

Greely-Manotick Station

By Elma Sutherland

The January meeting of Greely-Manotick Station Women's Institute was held at the home of Mrs. Mary Van Westerop. The Treasurer, Mrs. Elena Smiley, reported that \$254.65 had been sent to the Children's Hospital, for the handicapped and \$445.60 raised by bake sales, to Osgoode Township Care Centre. Mrs. Milton Payne and Mrs. Thomas Harper volunteered to help at the 85th anniversary exhibit in City Hall in February.
