Divisions won in North Dundas

Division winners have been declared in practically all of the Carleton-Dundas Minor Hockey League finals. In most cases there were few upsets in the playoffs. In the Atom A division Morrisburg defeated Winchester and in Atom B, Morrisburg is leading Russell.

In Pee Wee A, Chesterville pulled a bit of an upset over Morrisburg. On the Pee Wee B side, as expected, Winchester beat Morrisburg. In Bantam A, favored Winchester defeated Chesterville.

In the B division, Chesterville and Morrisburg are currently deadlocked. In Midget A, fourth place Chesterville upset the first place Morrisburg for the championship and on the B side, Metcalfe picked up its first division title over Russell. A second division championship for Metcalfe is within their grasp as they are currently leading Russell.

The League will honor its division winners at an annual Awards Banquet April 7 and 8 in Winchester. A division awards will be on the 7th and B division on the following day.

On Saturday, March 27, Metcalfe will host the Eastern Ontario Tournament of the champions C

Division Atom, Pee Wee and Juvenile finalists.

On March 28, Winchester will host the Bantam and Midget C division finals. Once again the league executive feels it has been a successful season and are hoping for a good turnout at the wrap-up banquet.

Summer Fun, 1982

The Russell Lions Club, in association with the Russell Recreation Association, have made application to the provincial government for funds to support

the summer playground and daycamp program again this year.

The program will run from July 1 to mid-August provided provincial funding is available.

The degree of government funding has been reduced this year, meaning that registration fees will have to increase and there may have to be some form of fundraising activity to make the program possible. For further information contact Mary Donnelly at 445-3232.
