Schools

Russell Public

By Mary Donelly

The Russell Public School's annual Education Week will be held April 26th to 30th. The week is designed to involve the community in the school's activities.

Teachers prepare bulletin boards, displays and student activities so that observers can see what school is all about.

Educator Gail Sands will conduct a seminar in the gym on Wednesday (April 28) afternoon. The seminar will deal with the value of a positive approach to discipline. She will be stressing how important self esteem is in the life of a child and offering practical advice for parents and teachers.

The theme of this year's week is "I like being a kid". Displays in the gym will include art work and

stories done by students to show how they like being children.

Students will be using some of their public speaking skills during the primary story tellings and Junior and Senior public speaking.

Each year more and more people realize that visitors are welcome. Whether or not one is a parent, everyone in the community is encouraged to visit and observe. Classrooms will be open to all on Monday and Tuesday mornings (April 26 and 27) while classes are in session. Visitors are expected to sit in on classes for at least a few minutes and listen to the subjects being taught.

Programs will be available at the office. More details on lots of other activities are available through Mrs. Sherwood — 445-2190. Schedules will also be posted around the village.

Marsha Hughes, a dental hygienist, shows Natalie Cruickshank how to brush her teeth properly by demonstrating on a gigantic set of choppers. Marsha visited the Metcalfe co-op Nursery School recently and gave all the kids a bright red toothbrush of their very own to hang beside dad's and mom's.

St. Catherine's

By Cecilia Mohaupt
(Grade Six)

Not too much has happened at St. Catherine's School lately. Everyone was happy to get back to school after a five-week-long strike. In sports, our school is doing well. The boys' floor hockey tournament was held recently and they came in third or fourth against the other schools in the board. The girls' floor hockey tournament however, was cancelled due to the strike. We will soon have our public speaking contest. The ten finalists have been chosen. They will compete in many interesting subjects.

Shortly, the grade threes will have their reconciliation and the grade twos will have their first communion.

St. Joseph

By Reynald Boulevic

Durant les quatre prochaines semaines, les professeurs de l'école St. Joseph presenteront aux élèves les quatre groupes d'aliments compris dans le guide alimentaire canadien. On traitera de:

- lait et produits laitiers
- viande et substituts
- pain et cereales

Un activitie au niveau de chaeune des classes decoulera de chaeune presentation.

De plus, une degustation de ces produits, organisee par le comite de parents de l'école, sera servie a la fin du projet. Mme Carmen Ubink, nutritionniste, Unite sanitaire de l'est de l'Ontario est l'invitee lors de cette journee. Mme Yoland Baillon et Mme Odette Ouellette sont les responsables de cette activite.

Le 13 mai prochain, les élèves de la maternelle a la huitieme de l'école St. Joseph, presenteront aux parents un mini-concert.

L'inscription officielle pour les enfants qui debuteront a la maternelle et au jardin en septembre prochain aura lieu le mardi 18 mai a l'école St. Joseph.
